Your Safety Is Our Top Priority!

Help us make your trip safer! Step over the gap between the train and platform when boarding and exiting.

Never stand at the edge of a platform, or lean over a platform to see if your train is coming. Please safeguard your property, including your electronic devices.

Never attempt to retrieve something from the track area. If you drop something onto the tracks, notify a LIRR employee for assistance.

Be extra careful in the winter, especially if ice forms on stairs and platforms. Obey posted instructions if the platform is undergoing rehabilitation.

Before Boarding Your Train

Station platforms are accessible to mobility-impaired customers. Please inform the conductor if you need assistance on and off trains.

Westbound PEAK AM electric trains displaying white and red headlights simultaneously are short of cars. If red lights appear, you may need to reposition yourself on the platform to board.

Buy LIRR/MNR Bike Permits at ticket offices, through the mail (4 weeks processing), or on-board trains. Bicycles are NOT permitted on Peak trains (PM Peak restriction effective at 3:00 PM). See Holidays reference notes.

The LIRR is a smoke-free public transportation system. Smoking is prohibited at all times on all trains, in all waiting rooms, elevators, staircases and enclosed waiting areas; and in outdoor ticketing, boarding and platform areas of terminals and stations.

On Board The Train

Please make sure that your ticket is available for immediate presentation to the conductor. If you change seats or trains en route, hold on to your ticket for presentation to avoid paying an additional fare.

Quiet Cars are available on weekend AM Peak (FIRST CAR) and PM Peak (LAST CAR) single-level electric trains to/from Penn Station and Atlantic Terminal. Customers should disable the sound on electronic devices; use headphones at a low volume; speak in a subdued voice; refrain from talking on cell phones.

Most LIRR trains have restrooms in every other car. These are always the odd-numbered cars. Check the car number on the outside of the inside of the car to locate a restroom-equipped car.

Luggage should be stored in overhead racks and not take up seat space or block the aisles or doorways of trains. Luggage may not be left unattended. Bags and containers are subject to random search by MTA police.

At Your Destination

Please carefully check to ensure you do not leave anything behind. Should you forget something, our Lost & Found Office in Penn Station will be happy to help.
