Transferring at Woodside to Mets-Willets Point

Woodside is the transfer station between Long Island points and Mets-Willets Point. Customers traveling from stations on Long Island should change at Woodside to the Port Washington Branch trains shown in this timetable for service to Mets-Willets Point.

Trains to Mets-Willets Point depart from Platform B at Woodside. Trains from Mets-Willets Point arrive on Platform C. Trains to Jamaica and points east leave from Platform A. When tickets are collected on your train, inform crew member that you are going to or from Mets-Willets Point so that ticket can be properly serviced and returned for use on connecting train.

ADA Accessibility Note

LIRR customers with mobility impairments who are traveling to see the Mets at Citi Field ballpark should travel to Woodside Station. At Woodside Station, which is ADA accessible, customers should transfer to a Flushing-bound #7 subway train to the Mets-Willets Point subway station, and then use the ramp to reach Roosevelt Avenue, across from Citi Field ballpark. To return to Woodside after the game, customers with mobility impairments would need to board the #7 subway and travel one stop east to its end point, the Flushing-Main Street Station. There, after a brief wait on the train, the subway will head west to Woodside. (This is necessary due to the location of the ramp, which will only permit access to the eastbound platform.)

To New York & Woodside

Weekdays

ADA Accessibility Note

LIRR customers with mobility impairments who are traveling to see the Mets at Citi Field ballpark should travel to Woodside Station. At Woodside Station, which is ADA accessible, customers should transfer to a Flushing-bound #7 subway train to the Mets-Willets Point subway station, and then use the ramp to reach Roosevelt Avenue, across from Citi Field ballpark. To return to Woodside after the game, customers with mobility impairments would need to board the #7 subway and travel one stop east to its end point, the Flushing-Main Street Station. There, after a brief wait on the train, the subway will head west to Woodside. (This is necessary due to the location of the ramp, which will only permit access to the eastbound platform.)

Transferring at Woodside to Mets-Willets Point

Woodside is the transfer station between Long Island points and Mets-Willets Point. Customers traveling from stations on Long Island should change at Woodside to the Port Washington Branch trains shown in this timetable for service to Mets-Willets Point.

Trains to Mets-Willets Point depart from Platform B at Woodside. Trains from Mets-Willets Point arrive on Platform C. Trains to Jamaica and points east leave from Platform A. When tickets are collected on your train, inform crew member that you are going to or from Mets-Willets Point so that ticket can be properly serviced and returned for use on connecting train.
