## LIRR Service to UBS Arena Begins

### What's happening?

LIRR service to the new UBS Arena begins on Saturday, November 20, and the LIRR will be offering three convenient travel options:

- **Belmont Park:** Two direct trains between Jamaica and Belmont Park will operate before and after events. (Belmont Park is adjacent to UBS Arena.)
- **Elmont:** Eastbound-only service to the new Elmont Station on the Hempstead Branch will be available before and after events. From Elmont, take free shuttle buses or walk to UBS Arena. (Full service will be available at Elmont Station when the westbound platform opens in 2022.)
- **Queens Village:** Select Huntington and Ronkonkoma trains will add stops at Queens Village to supplement regularly scheduled service on event days. Transfer to free shuttle bus service to/from UBS Arena.

See the map below to learn more. We've also prepared a brochure (available at stations and terminals) and a special webpage (scan the QR code below) to help you plan your trip and select the best option for you.
