

Bridgeplates Planned Service Change

Effective January 27

What's happening:

Track 4 will be out of service starting Saturday, January 27th and bridgeplates will be in use for inbound service at Irvington, Ardsley-on-Hudson, Dobbs Ferry, and Hastings-on-Hudson Stations.

Why service is being changed:

As part of the Hudson Line Signal Restoration construction project (approximately 10 months).

We regret any inconvenience you may experience.

Please do not stand or wait on the bridgeplates.
