New York City Transit (NYCT) is seeking skilled **Electronic Equipment Maintainers (EEM)** to join our team of 50,000 employees who play a vital role in helping us move millions of people throughout the city each day.

JOB DUTIES: Maintain, install, inspect, test, alter and repair electronic wireless and wired communication systems, digital and analog control equipment and systems in the shop or in the field, including radio systems, closed circuit video equipment, and other electronic communication equipment; perform circuit testing, analysis, and fault identification; keep records; operate motor vehicles; and perform related work. **Starting Rate: \$37.43 per hour for a 40-hour work week.**

REQUIRED EXPERIENCE: Five years of full-time journey-level experience maintaining, testing, troubleshooting, calibrating and repairing complex electronic equipment employing analog and digital circuitry. Graduation from a vocational high school, trade school, or degree program in **Electronic Technology** may be substituted for two years of journey-level experience.

LICENSE REQUIREMENT: Candidates will be required to possess a Motor Vehicle Driver License valid in the State of New York at the time of appointment.

BENEFITS: A robust package which includes paid vacation, holiday and sick leave; overtime and night differential; comprehensive health benefits; a pension plan; and NYCT Bus and Subway employee pass.

IMPORTANT NOTE: Candidates will be screened prior to admission to the Open House. Entry to the Open House will be limited to candidates who meet all the following criteria:

1. Meet the minimum qualification requirements based on a preliminary review of resume.
2. Possess a Motor Vehicle Driver License valid in the State of New York.
3. Have not previously interviewed for this position with NYCT within the past year.
4. Have not taken recently-administered Civil Service **Exam No. 5613** and/or **7603** for this job title.

Skilled-Trade
Positions.

You must bring **TWO COPIES** of your resume and your driver's license to the Open House.

Candidates admitted to the Open House may be invited to participate in a written assessment and/or interview which may require them to spend approximately four hours at the Open House.

Job seekers who have filed for Exam No. 8618 are welcome to attend the Open House if they meet the criteria listed in 1 – 4 above. Attending the EEM Open House is not a substitute for taking the Open Competitive Examination for Electronic Equipment Maintainer that is scheduled for the weekend of September 29, 2018.

If you are unable to attend the Open House, you may submit your resume for consideration at: www.mta.info/employment. Once on the website, select "Skilled Trade Positions" listed under NYC Transit, then select **Electronic Equipment Maintainer, Job ID 92443**.

*Hiring resulting from this event is on a provisional basis. To gain permanent status, you must file for and pass a Civil Service Examination and be appointed from the resulting list.

MTA and its constituent agencies are Equal Opportunity Employers.
