1. APPROVAL OF MINUTES

A motion was made and seconded to approve the minutes of the January 23, 2012 Audit Committee meeting.

2. AUDIT COMMITTEE WORKPLAN

The Committee Chair indicated that there is no meeting scheduled for June and the next meeting is scheduled for July 23, 2012. The agenda for the July meeting will include SIRTOA’s 2011 financial statement; the 2011 management letter for each agency; MTA’s investment compliance report; the agreed-upon procedures review for the MTA IG’s office; the 2011 single audit report, and the quarterly financial report for the first quarter of 2012. In addition, the Committee will be briefed on the status of MTA Audit Services’ 2012 Audit Plan.

3. FINANCIAL INTEREST REPORTS

Lamond Kearsè (MTA Compliance) provided the Committee with a report on the 2011 Financial Interest Report filings. He briefly outlined the financial interest reporting requirements of Public Officers Law Section 73-a, and advised that out of the 5,875 individuals required to file, there were 54 delinquent filers for 2011. This is an improvement over 2010 when there were 141 delinquent filers. Lamond further indicated that as of today, only 4 of the 54 are still in a delinquent status. The Committee asked about how to request an extension and how penalties are levied. Lamond indicated that filers have to ask for extensions individually and employees who fail to file are counseled. The Commission levies the fine if the employee continues to fail to file.

4. 2011 FINANCIAL STATEMENTS

Patrick Kane (MTA) presented a management review of the 2011 MTA consolidated financial statements. He briefed the Committee about the statements preparation and presentation, including the various required communications. He reviewed changes in capital, net and other assets; the reported increase in liabilities as a result of the $1.7 billion increase in post-employment benefits
other than pensions; the increase in operating revenues due to fare increases; and the increase in operating expenses, again largely due to the increase in post-employment benefits. He also pointed out that the required supplementary information details the funding of the pension plans which showed that the total unfunded liability decreased from the prior year. Robert Foran (MTA) advised the Committee about current plans to help reduce the amount of the unfunded liability. There was further discussion about the assumptions used in determining how the MTA reports current and ongoing financial obligations.

David Jones (D&T) advised the Committee that they have completed the audits of the consolidated financial statements of the MTA and its agencies. He indicated that internal controls were reviewed to determine appropriate audit procedures. They also searched for instances of material weaknesses and commented that SIRTOA was unable to produce financial statements timely so they could not review them as part of the audit. David believes these financial statements can be completed in two weeks and this delay is not considered serious as SIRTOA’s operating budget is $41 million. SIRTOA’s financial functions will be assumed by the office of NYC Transit’s Comptroller, as corrective action. The Committee also discussed the weaknesses in succession planning throughout the agencies, and it was indicated that this issue will be discussed in an upcoming management letter. SIRTOA’s financial statements will be presented to the Committee in July.

David also informed the Committee that accounting estimates, market value assessments, the allowance for doubtful accounts, depreciation, accrual processes, derivative financial instruments and hedging activity were all reviewed as part of the audit. No uncorrected misstatements were noted, and accounting policies were in accordance with GAAP and have been consistently applied. There were no disagreements with management and no significant issues were discussed prior to the audit.

Motion was made and seconded to approve the 2011 financial statements.

5. EXECUTIVE SESSION

Motion was made and approved to go into Executive Session to allow the Committee to discuss current litigation with the agencies’ General Counsels.

6. MOTION TO RETURN TO PUBLIC SESSION

A motion was made and seconded to return to public session.

7. MOTION TO ADJOURN

A motion was made and seconded to adjourn the meeting.

Respectfully submitted,

Michael J. Fucilli
