Chairman Lhota called the meeting to order.

1. **Public Speakers**

   There were five public speakers. Mr. Murray Bodin stated that it is his opinion Bridges and Tunnels’ signs and roadway lines do not meet “standard”. He stated that Bridges and Tunnels has not removed the toll booths at the Henry Hudson Bridge. Mr. Bodin indicated that he believes these are safety hazards and his comments should serve as prior notification to the Authority in the event someone is involved in an accident. The remaining public speakers did not specifically comment on issues regarding the Triborough Bridge and Tunnel Authority. Refer to the video recording of the meeting produced by the MTA and maintained in MTA records, and to the other agencies’ minutes of this date, for the content of the speakers’ statements.

2. **Chairman Lhota’s Opening Comments**

   Chairman Lhota stated this is the first meeting since the October Board meeting was postponed due to Hurricane Sandy. Chairman Lhota said that he could not be more proud of the MTA and the MTA family as he is today and has been through this entire process on how they handled the storm. This was by far the worst disaster ever to hit the MTA system. Chairman Lhota discussed the resumption of service system-wide, and stated that the response was a direct result of all of the changes made at the MTA over the past several years. It was a direct result of good planning, great preparation, and unbelievable implementation. It was also due to a true partnership between labor and management. Chairman Lhota discussed the extensive media and social media coverage that the MTA generated to keep the public informed, and noted that a person would have had to actively avoid the media not to know what was going on at the MTA. Chairman Lhota stated that employees faced the same challenges that all New Yorkers faced such as damaged homes and the loss of power, but they all understood what their jobs required them to do. Employees were at their jobs risking their lives, leaving loved ones at home for days and even weeks, all with one goal in mind, which is serving the MTA customers and bringing our region and economy back. Overall the storm and the MTA’s response revealed two fundamental things about New York and the MTA. The MTA’s entire transportation system is the circulatory system, the life blood, the veins and arteries of New York’s economy. After Irene and now Sandy, it could not be more clear what happens to New York when the MTA doesn’t work; everything comes to a complete halt. The storm also proved something that Chairman Lhota has been advocating over the past year. The MTA is a far leaner, more efficient and more competent organization than most people give it credit for. Chairman Lhota again thanked the MTA’s employees who worked non-stop throughout the storm, and noted that they brought the region back within an
unbelievable amount of time and they should be very proud of this. Chairman Lhota stated that he wanted to inform the Board that the MTA has started a separate nonprofit 501(c)(3) corporation to help MTA employees who were victims of Sandy and any other disasters that may occur. Chairman Lhota stated that he is proud to be a part of the MTA family.

Chairman Lhota thanked the individual agency presidents. He stated that B&T President, James Ferrara, had several tunnels completely covered with water, but had the tunnels open in great time and fashion.

Upon a motion made by Board Member Cappelli and seconded, the Board formally congratulated Chairman Lhota and his staff, agency presidents and staff, and all of the line employees for bringing honor to the MTA during this crisis while the nation was watching, and thanked them for their service during this extraordinarily difficult time.

The details of Chairman Lhota’s comments are contained in the video recording of this meeting, produced by the MTA and maintained in MTA records, and the MTA and other agencies’ minutes of the meeting of this date.

<td>In August 2007 an agreement between B&amp;T and NOAA (Contract MOA-2007-010) in the amount of $204,000 called for NOAA to install and maintain an air gap measurement system at the VN. The system includes a microwave sensor that measures the vertical clearance (air gap between the bottom of the bridge and the water surface) on a continuous basis. The air gap system ensures that large cruise ships and commercial vessels have proper clearance prior to their passing beneath the VN. Technological enhancements were made to the system under the 2007 agreement and it was extended through August 13, 2012. In addition, during that period NOAA received funding from the federal government to support participating agencies in the program which, in turn, offset costs to B&amp;T. The U.S. Department of Commerce advised B&amp;T that it will not extend the prior agreement and is requiring NOAA and B&amp;T to enter into a new five year agreement. PURPOSE:

The MTA Finance Department is seeking MTA and TBTA Board authorization and approval of the necessary documentation to issue (1) new money Bond Anticipation Notes (BANs) to generate net proceeds of $2.5 billion for interim financing of work to restore infrastructure damaged by Tropical Storm Sandy, and (2) Bonds to repay the BANs.

Interim financing of projects to restore damaged infrastructure of the transit and commuter systems (which projects are being incorporated, by amendment, into the approved transit and commuter capital programs) is expected through the issuance of up to $2 billion of BANs under the Transportation Revenue Resolution (TRB), or the Dedicated Tax Fund (DTF) Resolution. The total amount of borrowing for transit or commuter purposes on an aggregate basis to finance projects to restore damaged infrastructure across the TRB and DTF Resolutions is limited to $2 billion. Interim financing of projects to restore TBTA’s facilities of up to $500 million is expected through BAN issuance under the TBTA General Revenue Bond Resolution. Depending on the timing of the incurring of the costs of repairs relating to Tropical Storm Sandy, authorization may be sought in the future for the issuance of additional BANs and Bonds. Proceeds of the BANs are also authorized as reimbursement for MTA and TBTA funds expended on Sandy related repairs.

The MTA Finance Department will continue to report to the Finance Committee of the Board at each regularly scheduled meeting of such committee on the status of the proposed debt issuance schedule, the results of each note or bond issue, planned note or bond issues for the following month, and any anticipated adjustment in the financing schedule.

The Issuer covenants that, in order to maintain the exclusion from gross income for Federal income tax purposes of the interest on the Series 2013A Notes issued as Tax-Exempt Obligations, the Issuer will satisfy, or take such actions as are necessary to cause to be satisfied, each provision of the 1986 Code necessary to maintain such exclusion. In furtherance of this covenant, the Issuer agrees to comply with such written instructions as may be provided by Bond Counsel. As used herein, 1986 Code shall mean the Internal Revenue Code of 1986, as amended to the date of initial issuance and delivery of the Series 2013A Notes, and the applicable regulations thereunder, and any reference herein to any section thereof shall, to the extent the provisions of the 1986 Code are included in a successor code or in an equivalent section or sections of such successor code, be deemed to include such successor code and the equivalent section or sections of such successor code and the applicable regulations thereunder.

Notwithstanding any other provision of the Resolution to the contrary, upon the Issuer’s failure to observe, or refusal to comply with, the above covenant (a) the Holders of the Series 2013A Notes, or the Trustee acting on their behalf, shall be entitled to the rights and remedies provided to Bondholders under Section 1002 of the Resolution (as though such provisions related to the Series 2013A Notes rather than Bonds), other than the right (which is hereby abrogated solely as to the Issuer’s failure to observe, or refusal to comply with, the above covenant) to declare the principal of all Notes then Outstanding, and the interest accrued thereon, to be due and payable pursuant to Section 567 of the Act, and (b) neither the Holders of the

The proceeds of a good faith check, if any, received by the Issuer from the purchasers of the Series 2013B Bonds under the terms of the related Purchase Agreement or Notice of Sale may be invested by the Issuer pending application of the proceeds of such good faith check for the purposes provided in Section 2.02 of this Supplemental Resolution at the time of the issuance and delivery of such Series 2013B Bonds.

Each Authorized Officer (including any Assistant Secretary of the Issuer) is hereby authorized and directed to execute, deliver, amend, replace or terminate any and all documents and instruments (including any remarketing agreements, tender agency agreements, dealer agreements, broker dealer agreements, tender agent agreements, or auction agency agreements, any investment agreements or arrangements, or any reimbursement agreements or documents or instruments relating to a Credit Facility deemed appropriate to a given form or mode of an Obligation) and to do and cause to be done any and all acts necessary or proper for carrying out each Purchase Agreement or Notice of Sale, the Continuing Disclosure Agreement, the terms of any Credit Facility or other such agreement or arrangement, and the issuance, sale and delivery of the Series 2013B Bonds and for implementing the terms of the Series 2013B Bonds and the transactions contemplated hereby or thereby.

When reference is made in this Supplemental Resolution to the authorization of an Authorized Officer to do any act, such act may be accomplished by any of such officers individually.

2. the balance of such proceeds, exclusive of accrued interest, shall be deposited in the Series 2013B Bond Proceeds Account which is hereby established in the Proceeds Fund to provide for Costs of Issuance; and

3. accrued interest, if any, received on the sale of the Series 2013B Bonds shall be deposited in the Debt Service Fund.

The Issuer covenants that, in order to maintain the exclusion from gross income for Federal income tax purposes of the interest on the Series 2013B Bonds issued as Tax Exempt Obligations, the Issuer will satisfy, or take such actions as are necessary to cause to be satisfied, each provision of the Code necessary to maintain such exclusion. In furtherance of this covenant, the Issuer agrees to comply with such written instructions as may be provided by Bond Counsel. In furtherance of the covenant contained in the preceding sentence, the Issuer agrees to continually comply with the provisions of any “Arbitrage and Use of Proceeds Certificate” or “Tax Certificate” to be
executed by the Issuer in connection with the execution and delivery of any Series 2013B Bonds issued as Tax Exempt Obligations, as amended from time to time.

Notwithstanding any other provision of the Resolution to the contrary, upon the Issuer’s failure to observe, or refusal to comply with, the above covenant (a) the Holders of the Series 2013B Bonds, or the Trustee acting on their behalf, shall be entitled to the rights and remedies provided to Bondholders under Section 702 of the Resolution, and (b) neither the Holders of the Bonds of any Series (other than the Series 2013B Bonds or the Trustee acting on their behalf) nor the Trustee acting on their behalf, shall be entitled to exercise any right or remedy provided to Bondholders under the Resolution based upon the Issuer’s failure to observe, or refusal to comply with, the above covenant.

SECTION 4.02. Defeasance. In the event the Issuer shall seek, prior to the maturity or redemption date thereof, to pay or cause to be paid, within the meaning and with the effect expressed in the Resolution, all or less than all Outstanding Series 2013B Bonds and the provisions of Section 4.01 hereof shall then be of any force or effect, then, notwithstanding the provisions of Article A-XI of the Resolution, the Series 2013B Bonds which the Issuer then seeks to pay or cause to be paid shall not be deemed to have been paid within the meaning and with the effect expressed in Section A-1001 of the Resolution unless (i) the Issuer has confirmed in writing that the Holders of the Series 2013B Bonds which the Issuer then seeks to pay or cause to be paid will continue, after such action, to have the benefit of a covenant of the Issuer to the effect of the covenant contained in Section 4.01 hereof or (ii) there shall have been delivered to the Trustee an opinion of Bond Counsel to the effect that non-compliance thereafter with the applicable provisions of the Code will not affect the then current treatment of interest on the Series 2013B Bonds issued as Tax Exempt Obligations in determining gross income for Federal income tax purposes.

PURPOSE:

To obtain, as applicable, MTA and TBTA Board approval of the attached supplemental resolutions authorizing the issuance of refunding bonds, from time to time, subject, if applicable, to the refunding policy attached hereto adopted by the Board in May, 2010, as amended from time to time, and provided that the MTA Chief Financial Officer or the MTA Director of Finance makes a determination that the refunding of such bonds or other obligations will be beneficial to the obligors thereof and/or their affiliates and subsidiaries.

With respect to the above-referenced financial transactions, to obtain the MTA and TBTA Board approval, as applicable, delegating authority to the Chairman and Chief Executive Officer, the Vice Chairman, the Chair of the Finance Committee, the Chief Financial Officer of MTA, and the Director of Finance of MTA to award the underwriting of the refunding bonds either pursuant to competitive bidding process or to members (or entities related to such firms) of the MTA underwriting syndicate, and to execute and/or deliver in each case, where appropriate:

- Notices of Sale and bid forms,
- Purchase Agreements with underwriters,
- Related Parity Reimbursement Obligations and other related Parity Debt,
- Official Statements and other disclosure documents,
- Continuing Disclosure Agreements and related filings,
- Dealer Agreements,
- Related Subordinated Contract Obligations,
- Verification Reports,
- Escrow Agreements, and
- Investment Agreements.

Any such documents will be in substantially the form of any comparable document previously entered into by MTA or TBTA for previous issues and programs, with such changes as approved by any one or more of the foregoing officers. In addition, such officers are hereby authorized to terminate, amend, supplement, replace or extend any such documents (and related Parity Reimbursement Obligations and Parity Debt) and other documents related thereto, as they shall deem advisable. The MTA and TBTA Boards are requested to further delegate to such officers authority to take such other actions as may be necessary or desirable to effectuate such transactions.

- 98 -
DISCUSSION:

MTA's portfolio of outstanding indebtedness is $31.4 billion (exclusive of State Service Contract Bonds, which debt service is paid by the State).

ALTERNATIVES:

The Board could determine that staff seek specific approval for each refunding contemplated in advance of undertaking such refunding. This alternative is not advised as the timing of the Board cycle could result in missed market opportunities.

RECOMMENDATION:

The MTA and TBTA Boards approve the above-referenced amended and restated resolutions and documents and all other actions described above, including the execution and delivery of such other documents, and the taking of all other actions, from time to time deemed necessary or desirable by such officers in connection therewith. The authorization to issue the Refunding Bonds and take other related actions hereunder shall continue in effect without any further action by the Issuer until February 28, 2014, unless (a) the Issuer shall have confirmed the effectiveness of this authorization for an additional period, or (b) the Issuer shall have modified or repealed this authorization.
BOND AND OTHER DEBT OBLIGATIONS REFUNDING POLICY

WHEREAS, The Metropolitan Transportation Authority has a large portfolio of outstanding bonds and other debt obligations; and

WHEREAS, The Metropolitan Transportation Authority desires to achieve the lowest possible interest cost for such bonds; and

WHEREAS, The Metropolitan Transportation Authority desires, from time to time, to benefit from favorable capital market conditions to undertake refundings of the outstanding bonds and other obligations; and

WHEREAS, The Metropolitan Transportation Authority has determined that in order to provide guidance in the issuance of refunding bonds, a refunding policy ("Refunding Policy") is desirable.

WHEREAS, such refunding bonds must be authorized by the Board in accordance with a supplemental resolution for each of the MTA and TBTA credits, such supplemental resolutions are attached hereto;

BE IT RESOLVED by the Metropolitan Transportation Authority that, except as otherwise provided by separate action of the Authority relating to a particular refunding, the Refunding Policy as set forth below shall be adopted and shall apply to all refundings of bonds or other debt obligations described therein hereafter.
Metropolitan Transportation Authority
and Triborough Bridge and Tunnel Authority
Bond and Other Debt Obligations Refunding Policy

This bond and other debt obligations refunding policy establishes conditions precedent to any issuance of fixed rate bonds for the purposes of refunding fixed rate bonds previously issued by the MTA or any of the Related Entities.

- For a standard fixed rate refunding, each individual bond maturity is expected to have net present value (NPV) savings (expressed as a percentage of the par amount of refunded bonds) of at least the following amounts at the time of mailing the Preliminary Official Statement and at the time of the initial pricing of the refunding bonds (nothing herein precludes the addition of individual bond maturities that meet the savings criteria, or the deletion of bond maturities that do not meet the savings criteria on the day of pricing):

- In addition to achieving the above maturity-by-maturity NPV savings, aggregate NPV savings must be at least 3.0 percent of the par amount of refunded bonds.
- The arbitrage yield must be utilized in calculating NPV savings.
- Actual escrow investments must be used in calculation of refunding savings at the time of pricing.

Additional Criteria and Instructions
- The evaluation of refunding opportunities with respect to the State Bond Issuance Charge (BIC) shall be factored in as a cost of issuance with respect to total NPV savings requirement calculations. The individual bond-by-bond maturity evaluations shall also include BIC as a factor.
- If it is possible to meet the arbitrage yield in a refunding escrow with SLGS, they should be used. In the event SLGS could provide a yield higher than the arbitrage yield, as many rolling 0 percent SLGS as possible should be used to blend down the arbitrage yield. If the arbitrage yield cannot be met with SLGS or the SLGS window is not open, treasury securities and other open market securities can be considered, consistent with the investment restrictions in the bond resolution.

Section 2.01. Authorized Principal Amount, Designation and Series. 1. Pursuant to the provisions of the Resolution and in order to issue (a) Refunding Obligations, and (b) Obligations for the purpose of refunding Cross-Credit Obligations, multiple Series of Transportation Revenue Obligations (which may be issued at one time or from time to time in any number of Series or subseries, which for purposes of this Supplemental Resolution shall collectively be referred to herein as the "Refunding Bonds", subject to redesignation as hereinafter provided) entitled to the benefit, protection and security of such provisions are hereby authorized to be issued in an aggregate principal amount not exceeding the principal amount necessary so that, after giving effect to any net original issue discount or premium and underwriters’ discount from the principal amount, the amount to be deposited in the Proceeds Account pursuant to, or otherwise applied to effectuate the purposes of, Section 2.02 and Section 3.01 of this Supplemental Resolution (exclusive of the amount so deposited therein determined in any Certificate of Determination as estimated to be necessary to pay any Costs of Issuance of the Refunding Bonds payable from such Proceeds Account or otherwise applied to pay such Costs of Issuance), shall not exceed the amount or amounts determined in one or more Certificates of Determination to be necessary to effectuate the purposes set forth in Section 2.02 hereof; provided, however, that any Refunding Bonds issued pursuant to this Supplemental Resolution shall be issued in compliance with any Board policies relating to the issuance of refunding bonds as may be in effect from time to time.

2. Nothing in this Supplemental Resolution is intended to preclude the issuance of Refunding Bonds as refunding obligations in accordance with Section 203 of the Resolution.

Section 2.02. Purposes. The purposes for which the Refunding Bonds are issued shall be set forth in one or more Certificates of Determination and may include the refunding, restructuring or payment, including by purchasing, exchanging or tendering therefor, of all or any portion of any Outstanding Obligations or Parity Debt or Cross-Credit Obligations deemed advisable by an Authorized Officer in accordance with Section 203 or 204 of the Resolution, as applicable.

Section 2.07. Sinking Fund Installments. The Refunding Bonds, if any, determined in the related Certificate of Determination shall be subject to redemption (a) in part, by lot, (b) pro rata (in the case of taxable Refunding Bonds), or (c) otherwise as determined in accordance with Section A-404 of the Resolution, as set forth in the Certificate of Determination, on each date in the year or years determined in the Certificate of Determination at the principal amount thereof plus accrued interest up to but not including the date of redemption thereof, from mandatory Sinking Fund Installments which are required to be made in amounts sufficient to redeem on each such date the principal amount of such Refunding Bonds.

2. Any Authorized Officer shall execute one or more Certificates of Determination evidencing the determinations made pursuant to this Supplemental Resolution and any such Certificate of Determination shall be conclusive evidence of the determinations of such Authorized Officer, as stated therein. More than one Certificate of Determination may be delivered to the extent more than one Series or subseries of Refunding Bonds are delivered from time to time, or other authority is exercised under this Supplemental Resolution from time to time and each such Certificate of Determination shall be delivered to the Trustee prior to the authentication and delivery of the respective Series or subseries of Refunding Bonds by the Trustee or other documentation. Determinations set forth in any Certificate of Determination shall have the same effect as if set forth in this Supplemental Resolution. Any such Authorized Officer may exercise any authority delegated under this Supplemental Resolution from time to time following issuance of any Refunding Bonds, as appropriate for any purposes, including, in order to change interest rate modes or auction periods, if any Refunding Bonds shall consist of multiple subseries, to change the principal amounts and number of the individual subseries or to combine all subseries into a single Series, if any Refunding Bonds consist of a single Series, to divide such Series into

Section 2.10. Sale of Refunding Bonds. If it is determined that any sale of Bonds shall be conducted on a negotiated basis, each Authorized Officer is hereby authorized to sell and award the Refunding Bonds to the purchasers who shall be on the list of underwriters then approved by the Issuer and shall be referred to in the Purchase Agreement or Agreements, which Purchase Agreement or Agreements shall be substantially in the form most recently executed or delivered by the Issuer in connection with the sale of Obligations, with such revisions to reflect the terms and provisions of the Refunding Bonds as may be approved by the officer executing the Purchase Agreement (each, a "Purchase Agreement"). Each Authorized Officer is hereby authorized to agree to the selection of the representative of the underwriters as referred to in the Purchase Agreement or Agreements and to execute and deliver the Purchase Agreement or Agreements for and on behalf and in the name of the Issuer with such changes, omissions, insertions and revisions as may be approved by the officer executing the Purchase Agreement or Agreements, said execution being conclusive evidence of such approval and concurrence in the selection of the representative of the underwriters.

If it is determined that any sale of Bonds shall be conducted on a competitive bid basis, each Authorized Officer is hereby further authorized to conduct the sale and award of the Refunding Bonds on the basis of a competitive bid, pursuant to the terms of a notice of sale, including bid form (the "Notice of Sale"), in a form, including any limitations on permitted bidders and a description of the basis for determining the winning bidder or bidders, determined by such Authorized Officer. Each Authorized Officer is hereby authorized to conduct such competitive sale of the Refunding Bonds in a manner consistent with this Supplcmental Resolution and to utilize the services of the Authority's financial advisor and the services of an electronic bidding service, as such Authorized Officer shall determine, and the execution by such Authorized Officer of a letter of award shall be conclusive evidence of such award.

Each Authorized Officer is hereby authorized to make public and to authorize the use and distribution by said purchasers or other appropriate parties of a preliminary official statement, offering circular, or other disclosure document (the "Preliminary Official Statement") in connection with each public offering or any private placement of the Refunding Bonds, in substantially the form most recently executed or delivered by the Issuer in connection with the sale of Obligations, with such changes, omissions, insertions and revisions as such officer shall deem advisable. The Issuer authorizes any of said officers to deliver a certification to the effect that such Preliminary Official Statement or Official Statement, if deemed necessary or appropriate, together with such other documents, if any, described in such certificate, was deemed final as of its date for purposes of Rule 15c2-12 of the Securities and Exchange Commission as applicable.

Each Authorized Officer is hereby authorized to make public and to authorize distribution of a final Official Statement in substantially the form of each Preliminary Official Statement or the most recently executed and delivered Official Statement if there is not a Preliminary Official Statement, with such changes, omissions, insertions and revisions as such officer shall deem advisable, to sign such Official Statement and to deliver such Official Statement to the purchasers of such issue of the Refunding Bonds, such execution being conclusive evidence of the approval of such changes, omissions, insertions and revisions.

Each Authorized Officer is hereby authorized to execute and deliver for and on behalf and in the name of the Issuer, to the extent determined by such Authorized Officer to be necessary or convenient, a Continuing Disclosure Agreement, substantially in the form appended to the Purchase Agreement or Notice of Sale, with such changes, omissions, insertions and revisions as such officer shall
deem advisable (the “Continuing Disclosure Agreement”), said execution being conclusive evidence of the approval of such changes, omissions, insertions and revisions.

The proceeds of each good faith check, if any, received by the Issuer from the purchasers of each issue of Refunding Bonds under the terms of the related Purchase Agreement or Notice of Sale may be invested by the Issuer pending application of the proceeds of such good faith check for the purposes provided in Section 2.02 of this Supplemental Resolution at the time of the issuance and delivery of such Refunding Bonds.

Each Authorized Officer (including any Assistant Secretary of the Issuer) is hereby authorized and directed to execute, deliver, amend, replace or terminate any and all documents and instruments (including any remarketing agreements, tender agency agreements, dealer agreements, broker-dealer agreements, tender agent agreements, or auction agency agreements, any escrow agreements, any investment agreements or arrangements, or any reimbursement agreements or documents or instruments relating to a Credit Facility deemed appropriate to a given form or mode of an Obligation) and to do and cause to be done any and all acts necessary or proper for carrying out each Purchase Agreement or Notice of Sale, each Continuing Disclosure Agreement, the terms of any Credit Facility or other such agreement or arrangement, and the issuance, sale and delivery of each issue of the Refunding Bonds and for implementing the terms of each issue of the Refunding Bonds and the transactions contemplated hereby or thereby.

When reference is made in this Supplemental Resolution to the authorization of an Authorized Officer to do any act, such act may be accomplished by any of such officers individually.

Section 2.11. Forms of Refunding Bonds and Trustee’s Authentication Certificate. Subject to the provisions of the Resolution, the form of registered Refunding Bonds, and the Trustee’s certificate of authentication, shall be substantially in the form set forth in Exhibit One to the Resolution including, if necessary, any changes to comply with the requirements of DTC or the provisions of this Supplemental Resolution or any Certificate of Determination.

Section 2.12. Appointment of Trustee and Paying Agent. Unless otherwise provided by Certificate of Determination, The Bank of New York Mellon, as successor in interest to JPMorgan Chase Bank, N.A. shall be the Trustee under the Resolution and the Paying Agent for the Refunding Bonds.
ARTICLE III

DISPOSITION OF REFUNDING BOND PROCEEDS

Section 3.01. Disposition of Refunding Bond Proceeds. Any proceeds of the sale of the Refunding Bonds, other than accrued interest, if any, shall be deposited, simultaneously with the issuance and delivery of the Refunding Bonds, at one time or from time to time in one or more Series or subseries, in the Proceeds Account which is deemed to be established for each Series in the Proceeds Fund to be applied, or shall otherwise be applied pursuant to a Certificate of Determination to:

(a) the refunding of any Obligations, Parity Debt or Cross-Credit Obligations, or portions of any of them, in accordance with Section 2.02 hereof; and

(b) the balance of such proceeds, exclusive of accrued interest, shall be deposited in the Costs of Issuance Account and applied to the payment of Costs of Issuance or otherwise applied to the payment of Costs of Issuance.

Unless otherwise provided in a Certificate of Determination, the accrued interest, if any, and any capitalized interest received on the sale of the Refunding Bonds shall be deposited in the Debt Service Fund.
ARTICLE IV

TAX COVENANTS AND DEFEASANCE

Section 4.01.  Tax Covenants Relating to the Refunding Bonds.  The Issuer covenants that, in order to maintain the exclusion from gross income for Federal income tax purposes of the interest on the Refunding Bonds issued as Tax-Exempt Obligations, the Issuer will satisfy, or take such actions as are necessary to cause to be satisfied, each provision of the Code necessary to maintain such exclusion.  In furtherance of this covenant, the Issuer agrees to comply with such written instructions as may be provided by Bond Counsel.  In furtherance of the covenant contained in the preceding sentence, the Issuer agrees to continually comply with the provisions of any “Arbitrage and Use of Proceeds Certificate” or “Tax Certificate” to be executed by the Issuer in connection with the execution and delivery of any Refunding Bonds issued as Tax-Exempt Obligations, as amended from time to time.

Notwithstanding any other provision of the Resolution to the contrary, upon the Issuer’s failure to observe, or refusal to comply with, the above covenant (a) the Owners of the Refunding Bonds, or the Trustee acting on their behalf, shall be entitled to the rights and remedies provided to Owners or the Trustee under Section 702 of the Resolution, and (b) neither the Owners of the Obligations of any Series or holders of any Parity Debt (other than the Refunding Bonds or the Trustee acting on their behalf), nor the Trustee acting on their behalf, shall be entitled to exercise any right or remedy provided to the Owners, the Parity Debt holders or the Trustee under the Resolution based upon the Issuer’s failure to observe, or refusal to comply with, the above covenant.

The provisions of the foregoing covenants set forth in this Section shall not apply to any Refunding Bonds, including any subseries thereof, which the Issuer determines pursuant to the applicable Certificate of Determination to issue as Taxable Obligations.

Section 4.02.  Defeasance.  In the event the Issuer shall seek, prior to the maturity or redemption date thereof, to pay or cause to be paid, within the meaning and with the effect expressed in the Resolution, all or less than all Outstanding Refunding Bonds issued as Tax-Exempt Obligations and the provisions of Section 4.01 hereof shall then be of any force or effect, then, notwithstanding the provisions of Article A-X of the Resolution, the Refunding Bonds issued as Tax-Exempt Obligations which the Issuer then seeks to pay or cause to be paid shall not be deemed to have been paid within the meaning and with the effect expressed in Section A-1101 of the Resolution unless (i) the Issuer has confirmed in writing that the Owners of the Refunding Bonds issued as Tax-Exempt Obligations which the Issuer then seeks to pay or cause to be paid will continue, after such action, to have the benefit of a covenant to the effect of the covenant of the Issuer contained in Section 4.01 hereof or (ii) there shall have been delivered to the Trustee an Opinion of Bond Counsel to the effect that non-compliance thereafter with the applicable provisions of the Code will not affect the then current treatment of interest on the Refunding Bonds issued as Tax-Exempt Obligations in determining gross income for Federal income tax purposes.

ARTICLE II

AUTHORIZED OF REFUNDING BONDS

Section 2.01. Authorized Principal Amount, Designation and Series. Pursuant to the provisions of the Resolution and in order to issue (a) Refunding Obligations, and (b) Obligations for the purpose of refunding Cross-Credit Obligations, multiple Series of Dedicated Tax Fund Obligations (which may be issued at one time or from time to time in any number of Series or subseries, which for purposes of this Supplemental Resolution shall collectively be referred to herein as the "Refunding Bonds", subject to redesignation as hereinafter provided) entitled to the benefit, protection and security of such provisions are hereby authorized to be issued in an aggregate principal amount not exceeding the principal amount necessary so that, after giving effect to any net original issue discount or premium and underwriters' discount from the principal amount, the amount to be deposited in the Proceeds Account pursuant to, or otherwise applied to effectuate the purposes of, Section 2.02 and Section 3.01 of this Supplemental Resolution (exclusive of the amount so deposited therein determined in any Certificate of Determination as estimated to be necessary to pay any Costs of Issuance of the Refunding Bonds payable from such Proceeds Account or otherwise applied to pay such Costs of Issuance), shall not exceed the amount or amounts determined in one or more Certificates of Determination to be necessary to effectuate the purposes set forth in Section 2.02 hereof; provided, however, that any Refunding Bonds issued pursuant to this Supplemental Resolution shall be issued in compliance with any Board policies relating to the issuance of refunding bonds as may be in effect from time to time.

2. Nothing in this Supplemental Resolution is intended to preclude the issuance of Refunding Bonds as refunding obligations in accordance with Section 203 of the Resolution.

Refunding Bonds shall be designated as, and shall be distinguished from the Obligations of all other Series by the title, "Dedicated Tax Fund Bonds, Series [insert calendar year of issuance]" or such other title or titles set forth in the related Certificate of Determination.

The authority to issue Obligations and take related actions granted under previous resolutions of the Issuer shall continue in full force and effect. The authorization to issue the Refunding Bonds and take other related actions hereunder shall continue in effect without any further action by the Issuer until February 28, 2014, unless the Issuer shall have modified or repealed this authorization.

Section 2.02. Purposes. The purposes for which the Refunding Bonds are issued shall be set forth in one or more Certificates of Determination and may include the refunding, restructuring or payment, including by purchasing, exchanging or tendering therefor, of all or any portion of any Outstanding Obligations or Parity Debt or Cross-Credit Obligations deemed advisable by an Authorized Officer in accordance with Section 203 or 204 of the Resolution, as applicable.

Section 2.03. Dates, Maturities, Principal Amounts and Interest. The Refunding Bonds, except as otherwise provided in the Resolution, shall be dated the date or dates determined in the related Certificate of Determination. The Refunding Bonds shall mature on the date or dates and in the year or years and principal amount or amounts, and shall bear interest at the rate or rates per annum, if any, specified in or determined in the manner provided in the related Certificate of Determination.

Section 2.04. Interest Payments. The Refunding Bonds shall bear interest from their date or dates and be payable on such date or dates as may be determined pursuant to the related Certificate of Determination. Except as otherwise provided in the related Certificate of Determination, interest on the Refunding Bonds shall be computed on the basis of twelve 30-day months and a 360-day year.
Section 2.05. Denominations, Numbers and Letters. Unless otherwise provided in the related Certificate of Determination, the Refunding Bonds shall be issued in fully registered form without coupons in the denomination of $5,000 or any integral multiple thereof.

The Refunding Bonds shall be lettered and numbered as provided in the related Certificate of Determination.

Section 2.06. Places of Payment and Paying Agent. Except as otherwise provided in the related Certificate of Determination, principal and Redemption Price of the Refunding Bonds shall be payable to the registered owner of each Refunding Bond when due upon presentation of such Refunding Bond at the principal corporate trust office of the Trustee. Except as otherwise provided in the related Certificate of Determination, interest on the registered Refunding Bonds will be paid by check or draft mailed on the interest payment date by the Paying Agent, to the registered owner at his address as it appears on the registration books or, at the option of any Owner of at least one million dollars ($1,000,000) in principal amount of the Refunding Bonds, by wire transfer in immediately available funds on each interest payment date to such Owner thereof upon written notice from such Owner to the Trustee, at such address as the Trustee may from time to time notify such Owner, containing the wire transfer address (which shall be in the continental United States) to which such Owner wishes to have such wire directed, if such written notice is received not less than twenty (20) days prior to the related interest payment date (such notice may refer to multiple interest payments).

Section 2.07. Sinking Fund Installments. The Refunding Bonds, if any, determined in the related Certificate of Determination shall be subject to redemption (a) in part, by lot, (b) pro rata (in the case of taxable Refunding Bonds), or (c) otherwise as determined in accordance with Section A-404 of the Resolution, as set forth in the Certificate of Determination, on each date in the year or years determined in the Certificate of Determination at the principal amount thereof plus accrued interest up to but not including the date of redemption thereof, from mandatory Sinking Fund Installments which are required to be made in amounts sufficient to redeem on each such date the principal amount of such Refunding Bonds.

Section 2.08. Redemption Prices and Terms. The Refunding Bonds may also be subject to redemption prior to maturity, at the option of the Issuer, upon notice as provided in Article A-IV of the Resolution, at any time as a whole or in part (and by lot within a maturity, or otherwise as determined in accordance with Section A-404 of the Resolution, if less than all of a maturity is to be redeemed), from maturities designated by the Issuer on and after the date and in the years and at the Redemption Prices (expressed as a percentage of principal amount) determined in the related Certificate of Determination, plus accrued interest up to but not including the redemption date. Notwithstanding the foregoing, in the case of taxable Refunding Bonds, if set forth in the Certificate of Determination, the taxable Refunding Bonds may be made subject to pro rata redemption and/or a make-whole redemption premium.

Section 2.09. Delegation to an Authorized Officer. 1. There is hereby delegated to each Authorized Officer, subject to the limitations contained in this Supplemental Resolution, the following powers with respect to the Refunding Bonds:

(a) to determine whether and when to issue any Refunding Bonds constituting Refunding Obligations or Obligations issued to refund Cross-Credit Obligations, and to determine the amount of the proceeds of the Refunding Bonds to be applied to refunding purposes as well as the specific Obligations or Parity Debt or Cross-Credit Obligations, or portions of either to be refunded and the date or dates, if any, on which such refunded obligations shall be redeemed, and the amount of the proceeds of the Refunding Bonds estimated to be necessary to pay the Costs of Issuance of the Refunding Bonds;
(b) to determine the purpose or purposes for which the Refunding Bonds are being issued, which shall be one or more of the purposes set forth in Section 2.02 of this Supplemental Resolution;

(c) to determine the principal amounts of the Refunding Bonds to be issued for the purposes set forth in Section 2.02 of this Supplemental Resolution and whether such principal amounts constitute a separate Series or a subseries of Refunding Bonds, and to determine Accreted Values and Appreciated Values, if applicable;

(d) to determine the maturity date and principal amount of each maturity of the Refunding Bonds and the amount and due date of each Sinking Fund Installment, if any;

(e) to determine the date or dates which the Refunding Bonds shall be dated and the interest rate or rates of the Refunding Bonds or the manner of determining such interest rate or rates; provided, however, that any Obligations issued as Tax-Exempt Obligations shall be subject to a maximum interest rate of not greater than 10% per annum, any Obligations issued as Taxable Obligations shall be subject to a maximum interest rate of not greater than 12% per annum, any Variable Interest Rate Obligations issued as Tax-Exempt Obligations shall be subject to a maximum interest rate of not greater than 15% per annum, any Variable Interest Rate Obligations issued as Taxable Obligations shall be subject to a maximum interest rate of not greater than 18% per annum and any Parity Reimbursement Obligations shall be subject to a maximum interest rate of not greater than 25% per annum, or, in each such case, such higher rate or rates as determined by the Issuer's Board;

(f) to determine the Redemption Price or Redemption Prices, if any, and the redemption terms, if any, for the Refunding Bonds; provided, however, that if the Refunding Bonds are to be redeemable at the election of the Issuer, the Redemption Price (except in the case of taxable Refunding Bonds) shall not be greater than one hundred three percent (103%) of the principal amount of the Refunding Bonds to be redeemed, plus accrued interest thereon up to but not including the date of redemption and in the case of taxable Refunding Bonds any provisions relating to pro rata redemption and/or make whole redemption;

(g) to determine whether the sale of the Refunding Bonds shall be conducted on either a negotiated or competitive bid basis and, as applicable, to determine the purchase price for the Refunding Bonds to be paid by the purchasers referred to in the Purchase Agreement or the purchase price for the Refunding Bonds to be paid by the winning bidder, if such sale is conducted by competitive bid pursuant to a Notice of Sale, in either case as such document is described in Section 2.10 of this Supplemental Resolution, which may include such original issue discount and original issue premium as shall be determined in the related Certificate of Determination; provided, however, that the underwriters' discount reflected in such purchase price shall not exceed $10.00 for each one thousand dollars ($1,000) principal amount of the Refunding Bonds;

(h) to take all actions required for the Refunding Bonds to be eligible under the rules and regulations of The Depository Trust Company ("DTC") for investment and trading as uncertificated securities, to execute and deliver a standard form of letter of representation with DTC and, notwithstanding any provisions to the contrary contained in this Supplemental Resolution, to include in the related Certificate of Determination such terms and provisions as may be appropriate or necessary to provide for uncertificated securities in lieu of Refunding Bonds issuable in fully registered form;

(i) to determine whether to issue all or any portion of the Refunding Bonds as Tax-Exempt Obligations, Taxable Obligations, Put Obligations, Variable Interest Rate Obligations or as
any other form of Obligations permitted by the Resolution and any matters related thereto, including (i) the terms and provisions of any such Obligations, (ii) the selection of remarketing agents, tender agents, auction agents, dealers, bidding agents or any other agents or parties to ancillary arrangements and the terms of any such arrangements, and (iii) the methods for determining the accrual of Debt Service;

(j) to determine the advisability, as compared to an unenhanced transaction, of obtaining one or more Credit Facilities, to select a provider or providers thereof and to determine and accept the terms and provisions and price thereof, to determine such other matters related thereto as in the opinion of the officer executing the related Certificate of Determination shall be considered necessary or appropriate and to effect such determinations by making any changes in or additions to this Supplemental Resolution required by Credit Facility providers, if any, or required by a Rating Agency in order to attain or maintain specific ratings on the Refunding Bonds, or relating to the mechanisms for the repayment of amounts advanced thereunder or payment of fees, premiums, expenses or any other amounts, notices, the provision of information, and such other matters of a technical, mechanical, procedural or descriptive nature necessary or appropriate to obtain or implement a Credit Facility with respect to the Refunding Bonds, and to make any changes in connection therewith;

(k) to make such changes in or from the form of this Supplemental Resolution as may be necessary or desirable in order to cure any ambiguities, inconsistencies or other defects;

(l) to determine whether to (i) enter into an escrow agreement or other arrangement in connection with the issuance of Refunding Bonds, including the selection of escrow agents, verification agents and the manner of determining specified matters relating to the defeasance of the refunded obligations and (ii) purchase SLGs or open market securities and the form and substance thereof and any related investment agreement, and to determine the application of any amounts released in connection with any such refunding:

(m) to determine that such Refunding Bonds comply with all Board policies relating to the issuance of refunding obligations in effect at the time of such determination; and

(n) to determine such other matters specified in or permitted by (i) Sections 202, 203, 204 and A-201 of the Resolution or (ii) this Supplemental Resolution, or to determine matters relating to the payment or defeasance of Obligation Anticipation Notes, including preparation of any documentation therefor.

2. Any Authorized Officer shall execute one or more Certificates of Determination evidencing the determinations made pursuant to this Supplemental Resolution and any such Certificate of Determination shall be conclusive evidence of the determinations of such Authorized Officer, as stated therein. More than one Certificate of Determination may be delivered to the extent more than one Series or subseries of Refunding Bonds are delivered from time to time, or other authority is exercised under this Supplemental Resolution from time to time and each such Certificate of Determination shall be delivered to the Trustee prior to the authentication and delivery of the respective Series or subseries of Refunding Bonds by the Trustee or other documentation. Determinations set forth in any Certificate of Determination shall have the same effect as if set forth in this Supplemental Resolution. Any such Authorized Officer may exercise any authority delegated under this Supplemental Resolution from time to time following issuance of any Refunding Bonds, as appropriate for any purposes, including, in order to change interest rate modes or auction periods, if any Refunding Bonds shall consist of multiple subseries, to change the principal amounts and number of the individual subseries or to combine all subseries into a single Series, if any Refunding Bonds consist of a single Series, to divide such Series into two or more subseries and to determine the principal amount of such subseries, obtain a substitute or
additional Credit Facility or to appoint new or additional agents or other parties deemed appropriate to a
particular form or mode of Obligation or manner of sale.

Section 2.10. Sale of Refunding Bonds. If it is determined that any sale of Bonds
shall be conducted on a negotiated basis, each Authorized Officer is hereby authorized to sell and award
the Refunding Bonds to the purchasers who shall be on the list of underwriters then approved by the
Issuer and shall be referred to in the Purchase Agreement or Agreements, which Purchase Agreement or
Agreements shall be substantially in the form last executed or delivered by the Issuer in
connection with the sale of Obligations, with such revisions to reflect the terms and provisions of the
Refunding Bonds as may be approved by the officer executing the Purchase Agreement (each, a
"Purchase Agreement"). Each Authorized Officer is hereby authorized to agree to the selection of the
representative of the underwriters as referred to in the Purchase Agreement or Agreements and to execute
and deliver the Purchase Agreement or Agreements for and on behalf and in the name of the Issuer with
such changes, omissions, insertions and revisions as may be approved by the officer executing the
Purchase Agreement or Agreements, said execution being conclusive evidence of such approval and
concurrency in the selection of the representative of the underwriters.

If it is determined that any sale of Bonds shall be conducted on a competitive bid basis,
each Authorized Officer is hereby further authorized to conduct the sale and award of the Refunding
Bonds on the basis of a competitive bid, pursuant to the terms of a notice of sale, including bid form (the
"Notice of Sale"), in a form, including any limitations on permitted bidders and a description of the basis
for determining the winning bidder or bidders, determined by such Authorized Officer. Each Authorized
Officer is hereby authorized to conduct such competitive sale of the Refunding Bonds in a manner
consistent with this Supplemental Resolution and to utilize the services of the Authority’s financial
advisor and the services of an electronic bidding service, as such Authorized Officer shall determine, and
the execution by such Authorized Officer of a letter of award shall be conclusive evidence of such award.

Each Authorized Officer is hereby authorized to make public and to authorize the use and
distribution by said purchasers or other appropriate parties of a preliminary official statement, offering
circular, or other disclosure document (the "Preliminary Official Statement") in connection with each
public offering or any private placement of the Refunding Bonds, in substantially the form most recently
executed or delivered by the Issuer in connection with the sale of Obligations, with such changes,
omissions, insertions and revisions as such officer shall deem advisable. The Issuer authorizes any of said
officers to deliver a certification to the effect that such Preliminary Official Statement or Official
Statement, if deemed necessary or appropriate, together with such other documents, if any, described in
such certificate, was deemed final as of its date for purposes of Rule 15c2-12 of the Securities and
Exchange Commission as applicable.

Each Authorized Officer is hereby authorized to make public and to authorize distribution
of a final Official Statement in substantially the form of each Preliminary Official Statement or the most
recently executed and delivered Official Statement if there is not a Preliminary Official Statement, with
such changes, omissions, insertions and revisions as such officer shall deem advisable, to sign such
Official Statement and to deliver such Official Statement to the purchasers of such issue of the Refunding
Bonds, such execution being conclusive evidence of the approval of such changes, omissions, insertions
and revisions.

Each Authorized Officer is hereby authorized to execute and deliver for and on behalf
and in the name of the Issuer, to the extent determined by such Authorized Officer to be necessary or
convenient, a Continuing Disclosure Agreement, substantially in the form appended to the Purchase
Agreement or Notice of Sale, with such changes, omissions, insertions and revisions as such officer shall
deem advisable (the "Continuing Disclosure Agreement"), said execution being conclusive evidence of the approval of such changes, omissions, insertions and revisions.

The proceeds of each good faith check, if any, received by the Issuer from the purchasers of each issue of Refunding Bonds under the terms of the related Purchase Agreement or Notice of Sale may be invested by the Issuer pending application of the proceeds of such good faith check for the purposes provided in Section 2.02 of this Supplemental Resolution at the time of the issuance and delivery of such Refunding Bonds.

Each Authorized Officer (including any Assistant Secretary of the Issuer) is hereby authorized and directed to execute, deliver, amend, replace or terminate any and all documents and instruments (including any remarketing agreements, tender agency agreements, dealer agreements, broker-dealer agreements, tender agent agreements, or auction agency agreements, any escrow agreements, any investment agreements or arrangements, or any reimbursement agreements or documents or instruments relating to a Credit Facility deemed appropriate to a given form or mode of an Obligation) and to do and cause to be done any and all acts necessary or proper for carrying out each Purchase Agreement or Notice of Sale, each Continuing Disclosure Agreement, the terms of any Credit Facility or other such agreement or arrangement, and the issuance, sale and delivery of each issue of the Refunding Bonds and for implementing the terms of each issue of the Refunding Bonds and the transactions contemplated hereby or thereby.

When reference is made in this Supplemental Resolution to the authorization of an Authorized Officer to do any act, such act may be accomplished by any of such officers individually.

Section 2.11. Forms of Refunding Bonds and Trustee's Authentication Certificate. Subject to the provisions of the Resolution, the form of registered Refunding Bonds, and the Trustee's certificate of authentication, shall be substantially in the form set forth in Exhibit One to the Resolution including, if necessary, any changes to comply with the requirements of DTC or the provisions of this Supplemental Resolution or any Certificate of Determination.

ARTICLE III

DISPOSITION OF REFUNDING BOND PROCEEDS

Section 3.01. Disposition of Refunding Bond Proceeds. Any proceeds of the sale of the Refunding Bonds, other than accrued interest, if any, shall be deposited, simultaneously with the issuance and delivery of the Refunding Bonds, at one time or from time to time in one or more Series or subseries, in the Proceeds Account which is deemed to be established for each Series in the Proceeds Fund to be applied, or shall otherwise be applied pursuant to a Certificate of Determination to:

(a) the refunding of any Obligations, Parity Debt or Cross-Credit Obligations, or portions of any of them, in accordance with Section 2.02 hereof; and

(b) the balance of such proceeds, exclusive of accrued interest, shall be deposited in the COI Account and applied to the payment of Costs of Issuance or otherwise applied to the payment of Costs of Issuance.

Unless otherwise provided in a Certificate of Determination, the accrued interest, if any, and any capitalized interest, received on the sale of the Refunding Bonds shall be deposited in the Debt Service Fund.
ARTICLE IV

TAX COVENANTS AND DEFEASANCE

Section 4.01. Tax Covenants Relating to the Refunding Bonds. The Issuer covenants that, in order to maintain the exclusion from gross income for Federal income tax purposes of the interest on the Refunding Bonds issued as Tax-Exempt Obligations, the Issuer will satisfy, or take such actions as are necessary to cause to be satisfied, each provision of the Code necessary to maintain such exclusion. In furtherance of this covenant, the Issuer agrees to comply with such written instructions as may be provided by Bond Counsel. In furtherance of the covenant contained in the preceding sentence, the Issuer agrees to continually comply with the provisions of any "Arbitrage and Use of Proceeds Certificate" or "Tax Certificate" to be executed by the Issuer in connection with the execution and delivery of any Refunding Bonds issued as Tax-Exempt Obligations, as amended from time to time.

Notwithstanding any other provision of the Resolution to the contrary, upon the Issuer's failure to observe, or refusal to comply with, the above covenant (a) the Owners of the Refunding Bonds, or the Trustee acting on their behalf, shall be entitled to the rights and remedies provided to Owners or the Trustee under Section 702 of the Resolution, and (b) neither the Owners of the Obligations of any Series or holders of any Parity Debt (other than the Refunding Bonds or the Trustee acting on their behalf), nor the Trustee acting on their behalf, shall be entitled to exercise any right or remedy provided to the Owners, the Parity Debt holders or the Trustee under the Resolution based upon the Issuer's failure to observe, or refusal to comply with, the above covenant.

The provisions of the foregoing covenants set forth in this Section shall not apply to any Refunding Bonds, including any subseries thereof, which the Issuer determines pursuant to the applicable Certificate of Determination to issue as Taxable Obligations.

Section 4.02. Defeasance. In the event the Issuer shall seek, prior to the maturity or redemption date thereof, to pay or cause to be paid, within the meaning and with the effect expressed in the Resolution, all or less than all Outstanding Refunding Bonds issued as Tax-Exempt Obligations and the provisions of Section 4.01 hereof shall then be of any force or effect, then, notwithstanding the provisions of Article A-XI of the Resolution, the Refunding Bonds issued as Tax-Exempt Obligations which the Issuer then seeks to pay or cause to be paid shall not be deemed to have been paid within the meaning and with the effect expressed in Section A-1101 of the Resolution unless (i) the Issuer has confirmed in writing that the Owners of the Refunding Bonds issued as Tax-Exempt Obligations which the Issuer then seeks to pay or cause to be paid will continue, after such action, to have the benefit of a covenant to the effect of the covenant of the Issuer contained in Section 4.01 hereof or (ii) there shall have been delivered to the Trustee an Opinion of Bond Counsel to the effect that non-compliance thereafter with the applicable provisions of the Code will not affect the then current treatment of interest on the Refunding Bonds issued as Tax-Exempt Obligations in determining gross income for Federal income tax purposes.

Section 2.01. Authorized Principal Amount, Designation and Series. 1. Pursuant to the provisions of the Resolution and in order to issue (a) Refunding Obligations, and (b) Obligations for the purpose of refunding Cross-Credit Obligations, multiple Series of General Revenue Obligations (which may be issued at one time or from time to time in any number of Series or subseries, which for purposes of this Supplemental Resolution shall collectively be referred to herein as the "Refunding Bonds", subject to redesignation as hereinafter provided) entitled to the benefit, protection and security of such provisions are hereby authorized to be issued in an aggregate principal amount not exceeding the principal amount necessary so that, after giving effect to any net original issue discount or premium and underwriters' discount from the principal amount, the amount to be deposited in the Proceeds Account pursuant to, or otherwise applied to effectuate the purposes of, Section 2.02 and Section 3.01 of this Supplemental Resolution (exclusive of the amount so deposited therein determined in any Certificate of Determination as estimated to be necessary to pay any Costs of Issuance of the Refunding Bonds payable from such Proceeds Account or otherwise applied to pay such Costs of Issuance), shall not exceed the amount or amounts determined in one or more Certificates of Determination to be necessary to effectuate the purposes set forth in Section 2.02 hereof; provided, however, that any Refunding Bonds issued pursuant to this Supplemental Resolution shall be issued in compliance with any Board policies relating to the issuance of refunding bonds as may be in effect from time to time.

Section 2.08. Redemption Prices and Terms. The Refunding Bonds may also be subject to redemption prior to maturity, at the option of the Issuer, upon notice as provided in Article A-IV of the Resolution, at any time as a whole or in part (and by lot within a maturity, or otherwise as determined in accordance with Section A-404 of the Resolution, if less than all of a maturity is to be redeemed), from maturities designated by the Issuer on and after the date and in the years and at the Redemption Prices (expressed as a percentage of principal amount) determined in the related Certificate of Determination, plus accrued interest up to but not including the date of redemption thereof. (d) to determine the maturity date and principal amount of each maturity of the Refunding Bonds and the amount and due date of each Sinking Fund Installment, if any;

(e) to determine the date or dates which the Refunding Bonds shall be dated and the interest rate or rates of the Refunding Bonds or the manner of determining such interest rate or rates; provided, however, that any Obligations issued as Tax-Exempt Obligations shall be subject to a maximum interest rate of not greater than 10% per annum, any Obligations issued as Taxable Obligations shall be subject to a maximum interest rate of not greater than 12% per annum, any Variable Interest Rate Obligations issued as Tax-Exempt Obligations shall be subject to a maximum interest rate of not greater than 15% per annum, any Variable Interest Rate Obligations issued as Taxable Obligations shall be subject to a maximum interest rate of not greater than 18% per annum and any Parity Reimbursement Obligations shall be subject to a maximum interest rate of not greater than 25% per annum, or, in each such case, such higher rate or rates as determined by the Issuer’s Board;

(f) to determine the Redemption Price or Redemption Prices, if any, and the redemption terms, if any, for the Refunding Bonds; provided, however, that if the Refunding Bonds are to be redeemable at the election of the Issuer, the Redemption Price (except in the case of taxable Refunding Bonds) shall not be greater than one hundred three percent (103%) of the principal amount of the Refunding Bonds to be redeemed, plus accrued interest thereon up to but not including the date of redemption and in the case of taxable Refunding Bonds, any provisions relating to pro rata redemption and/or make whole redemption;

(g) to determine whether the sale of the Refunding Bonds shall be conducted on either a negotiated or competitive bid basis and, as applicable, to determine the purchase price for the Refunding Bonds to be paid by the purchasers referred to in the Purchase Agreement or the purchase price for the Refunding Bonds to be paid by the winning bidder, if such sale is conducted by competitive bid pursuant to a Notice of Sale, in either case as such document is described in Section 2.10 of this Supplemental Resolution, which may include such original issue discount and original issue premium as shall be determined in the related Certificate of Determination; provided, however, that the underwriters’ discount reflected in such purchase price shall not exceed $10.00 for each one thousand dollars ($1,000) principal amount of the Refunding Bonds;

(h) to take all actions required for the Refunding Bonds to be eligible under the rules and regulations of The Depository Trust Company (“DTC”) for investment and trading as uncertificated securities, to execute and deliver a standard form of letter of representation with DTC and, notwithstanding any provisions to the contrary contained in this Supplemental Resolution, to include in the related Certificate of Determination such terms and provisions as may be appropriate or necessary to provide for uncertificated securities in lieu of Refunding Bonds issuable in fully registered form;

(i) to determine whether to issue all or any portion of the Refunding Bonds as Tax-Exempt Obligations, Taxable Obligations, Put Obligations, Variable Interest Rate Obligations or as any other form of Obligations permitted by the Resolution and any matters related thereto, including

(j) to determine the advisability, as compared to an unenhanced transaction, of obtaining one or more Credit Facilities, to select a provider or providers thereof and to determine and accept the terms and provisions and price thereof, to determine such other matters related thereto as in the opinion of the officer executing the related Certificate of Determination shall be considered necessary or appropriate and to effect such determinations by making any changes in or additions to this Supplemental Resolution required by Credit Facility providers, if any, or required by a Rating Agency in order to attain or maintain specific ratings on the Refunding Bonds, or relating to the mechanisms for the repayment of amounts advanced thereunder or payment of fees, premiums, expenses or any other amounts, notices, the provision of information, and such other matters of a technical, mechanical, procedural or descriptive nature necessary or appropriate to obtain or implement a Credit Facility with respect to the Refunding Bonds, and to make any changes in connection therewith;

(k) to make such changes in or from the form of this Supplemental Resolution as may be necessary or desirable in order to cure any ambiguities, inconsistencies or other defects;

(l) to determine whether to (i) enter into an escrow agreement or other arrangement in connection with the issuance of Refunding Bonds, including the selection of escrow agents, verification agents and the manner of determining specified matters relating to the defeasance of the refunded obligations and (ii) purchase SLGs or open market securities and the form and substance thereof and any related investment agreement, and to determine the application of any amounts released in connection with any such refunding;

(m) to determine that such Refunding Bonds comply with all Board policies relating to the issuance of refunding obligations in effect at the time of such determination; and

(n) to determine such other matters specified in or permitted by (i) Sections 202, 203, 204 and A-201 of the Resolution or (ii) this Supplemental Resolution, or to determine matters relating to the payment or defeasance of Obligation Anticipation Notes, including preparation of any documentation therefor.

2. Any Authorized Officer shall execute one or more Certificates of Determination evidencing the determinations made pursuant to this Supplemental Resolution and any such Certificate of Determination shall be conclusive evidence of the determinations of such Authorized Officer, as stated therein. More than one Certificate of Determination may be delivered to the extent more than one Series or subseries of Refunding Bonds are delivered from time to time, or other authority is exercised under this Supplemental Resolution from time to time and each such Certificate of Determination shall be delivered to the Trustee prior to the authentication and delivery of the respective Series or subseries of Refunding Bonds by the Trustee or other documentation therefor. Determinations set forth in any Certificate of Determination shall have the same effect as set forth in this Supplemental Resolution. Any such Authorized Officer may exercise any authority delegated under this Supplemental Resolution from time to time following issuance of any Refunding Bonds, as appropriate for any purposes, including, in order to change interest rate modes or auction periods, if any Refunding Bonds shall consist of multiple subseries, to change the principal amounts and number of the individual subseries or to combine all subseries into a single Series, if any Refunding Bonds consist of a single Series, to divide such Series into two or more subseries and to determine the principal amount of such subseries, obtain a substitute or additional Credit Facility or to appoint new or additional agents or other parties deemed appropriate to a particular form or mode of Obligation or manner of sale.
Section 2.10. Sale of Refunding Bonds. If it is determined that any sale of Bonds shall be conducted on a negotiated basis, each Authorized Officer is hereby authorized to sell and award the Refunding Bonds to the purchasers who shall be on the list of underwriters then approved by the Issuer and shall be referred to in the Purchase Agreement or Agreements, which Purchase Agreement or Agreements shall be substantially in the form most recently executed or delivered by the Issuer in connection with the sale of Obligations, with such revisions to reflect the terms and provisions of the Refunding Bonds as may be approved by the officer executing the Purchase Agreement (each, a “Purchase Agreement”). Each Authorized Officer is hereby authorized to agree to the selection of the representative of the underwriters as referred to in the Purchase Agreement or Agreements and to execute and deliver the Purchase Agreement or Agreements for and on behalf and in the name of the Issuer with such changes, omissions, insertions and revisions as may be approved by the officer executing the Purchase Agreement or Agreements, said execution being conclusive evidence of such approval and concurrence in the selection of the representative of the underwriters.

If it is determined that any sale of Bonds shall be conducted on a competitive bid basis, each Authorized Officer is hereby further authorized to conduct the sale and award of the Refunding Bonds on the basis of a competitive bid, pursuant to the terms of a notice of sale, including bid form (the “Notice of Sale”), in a form, including any limitations on permitted bidders and a description of the basis for determining the winning bidder or bidders, determined by such Authorized Officer. Each Authorized Officer is hereby authorized to conduct such competitive sale of the Refunding Bonds in a manner consistent with this Supplemental Resolution and to utilize the services of the Authority’s financial advisor and the services of an electronic bidding service, as such Authorized Officer shall determine, and the execution by such Authorized Officer of a letter of award shall be conclusive evidence of such award.

Each Authorized Officer is hereby authorized to make public and to authorize the use and distribution by said purchasers or other appropriate parties of a preliminary official statement, offering circular, or other disclosure document (the “Preliminary Official Statement”) in connection with each public offering or any private placement of the Refunding Bonds, in substantially the form most recently executed or delivered by the Issuer in connection with the sale of Obligations, with such changes, omissions, insertions and revisions as such officer shall deem advisable. The Issuer authorizes any of said officers to deliver a certification to the effect that such Preliminary Official Statement or Official Statement, if deemed necessary or appropriate, together with such other documents, if any, described in such certificate, was deemed final as of its date for purposes of Rule 15c2-12 of the Securities and Exchange Commission as applicable.

Each Authorized Officer is hereby authorized to make public and to authorize distribution of a final Official Statement in substantially the form of each Preliminary Official Statement or the most recently executed and delivered Official Statement if there is not a Preliminary Official Statement, with such changes, omissions, insertions and revisions as such officer shall deem advisable, to sign such Official Statement and to deliver such Official Statement to the purchasers of such issue of the Refunding Bonds, such execution being conclusive evidence of the approval of such changes, omissions, insertions and revisions.

Each Authorized Officer is hereby authorized to execute and deliver for and on behalf and in the name of the Issuer, to the extent determined by such Authorized Officer to be necessary or convenient, a Continuing Disclosure Agreement, substantially in the form appended to the Purchase Agreement or Notice of Sale, with such changes, omissions, insertions and revisions as such officer shall deem advisable (the “Continuing Disclosure Agreement”), said execution being conclusive evidence of the approval of such changes, omissions, insertions and revisions.
The proceeds of each good faith check, if any, received by the Issuer from the purchasers of each issue of Refunding Bonds under the terms of the related Purchase Agreement or Notice of Sale may be invested by the Issuer pending application of the proceeds of such good faith check for the purposes provided in Section 2.02 of this Supplemental Resolution at the time of the issuance and delivery of such Refunding Bonds.

Each Authorized Officer (including any Assistant Secretary of the Issuer) is hereby authorized and directed to execute, deliver, amend, replace or terminate any and all documents and instruments (including any remarketing agreements, tender agency agreements, dealer agreements, broker-dealer agreements, tender agent agreements, or auction agency agreements, any escrow agreements, any investment agreements or arrangements, or any reimbursement agreements or documents or instruments relating to a Credit Facility deemed appropriate to a given form or mode of an Obligation) and to do and cause to be done any and all acts necessary or proper for carrying out each Purchase Agreement or Notice of Sale, each Continuing Disclosure Agreement, the terms of any Credit Facility or other such agreement or arrangement, and the issuance, sale and delivery of each issue of the Refunding Bonds and for implementing the terms of each issue of the Refunding Bonds and the transactions contemplated hereby or thereby.

When reference is made in this Supplemental Resolution to the authorization of an Authorized Officer to do any act, such act may be accomplished by any of such officers individually.

Section 2.11. Forms of Refunding Bonds and Trustee's Authentication Certificate. Subject to the provisions of the Resolution, the form of registered Refunding Bonds, and the Trustee's certificate of authentication, shall be substantially in the form set forth in Exhibit One to the Resolution including, if necessary, any changes to comply with the requirements of DTC or the provisions of this Supplemental Resolution or any Certificate of Determination.

Section 2.12. Appointment of Trustee and Paying Agent. Unless otherwise provided by Certificate of Determination, U.S. Bank Trust National Association shall be the Trustee under the Resolution and the Paying Agent for the Refunding Bonds.
ARTICLE III

DISPOSITION OF REFUNDING BOND PROCEEDS

Section 3.01. Disposition of Refunding Bond Proceeds. Any proceeds of the sale of the Refunding Bonds, other than accrued interest, if any, shall be deposited, simultaneously with the issuance and delivery of the Refunding Bonds, at one time or from time to time in one or more Series or subseries, in the Proceeds Account which is deemed to be established for each Series in the Proceeds Fund to be applied, or shall otherwise be applied pursuant to a Certificate of Determination to:

(a) the refunding of any Obligations, Parity Debt or Cross-Credit Obligations, or portions of any of them, in accordance with Section 2.02 hereof; and

(b) the balance of such proceeds, exclusive of accrued interest, shall be deposited in the COI Account and applied to the payment of Costs of Issuance or otherwise applied to the payment of Costs of Issuance.

Unless otherwise provided in a Certificate of Determination, the accrued interest, if any, and any capitalized interest, received on the sale of the Refunding Bonds shall be deposited in the Debt Service Fund.
ARTICLE IV

TAX COVENANTS AND DEFEASANCE

Section 4.01. Tax Covenants Relating to the Refunding Bonds. The Issuer covenants that, in order to maintain the exclusion from gross income for Federal income tax purposes of the interest on the Refunding Bonds issued as Tax-Exempt Obligations, the Issuer will satisfy, or take such actions as are necessary to cause to be satisfied, each provision of the Code necessary to maintain such exclusion. In furtherance of this covenant, the Issuer agrees to comply with such written instructions as may be provided by Bond Counsel. In furtherance of the covenant contained in the preceding sentence, the Issuer agrees to continually comply with the provisions of any "Arbitrage and Use of Proceeds Certificate" or "Tax Certificate" to be executed by the Issuer in connection with the execution and delivery of any Refunding Bonds issued as Tax-Exempt Obligations, as amended from time to time.

Notwithstanding any other provision of the Resolution to the contrary, upon the Issuer's failure to observe, or refusal to comply with, the above covenant (a) the Owners of the Refunding Bonds, or the Trustee acting on their behalf, shall be entitled to the rights and remedies provided to Owners or the Trustee under Section 702 of the Resolution, other than the right (which is hereby abrogated solely as to the Issuer's failure to observe, or refusal to comply with the above covenant) to declare the principal of all Obligations then Outstanding, and the interest accrued thereon, to be due and payable pursuant to Section 567 of the Issuer Act, and (b) neither the Owners of the Obligations of any Series or holders of any Parity Debt (other than the Refunding Bonds or the Trustee acting on their behalf), nor the Trustee acting on their behalf, shall be entitled to exercise any right or remedy provided to the Owners, the Parity Debt holders or the Trustee under the Resolution based upon the Issuer's failure to observe, or refusal to comply with, the above covenant.

The provisions of the foregoing covenants set forth in this Section shall not apply to any Refunding Bonds, including any subseries thereof, which the Issuer determines pursuant to the applicable Certificate of Determination to issue as Taxable Obligations.

Section 4.02. Defeasance. In the event the Issuer shall seek, prior to the maturity or redemption date thereof, to pay or cause to be paid, within the meaning and with the effect expressed in the Resolution, all or less than all Outstanding Refunding Bonds issued as Tax-Exempt Obligations and the provisions of Section 4.01 hereof shall then be of any force or effect, then, notwithstanding the provisions of Article A-XI of the Resolution, the Refunding Bonds issued as Tax-Exempt Obligations which the Issuer then seeks to pay or cause to be paid shall not be deemed to have been paid within the meaning and with the effect expressed in Section A-1101 of the Resolution unless (i) the Issuer has confirmed in writing that the Owners of the Refunding Bonds issued as Tax-Exempt Obligations which the Issuer then seeks to pay or cause to be paid will continue, after such action, to have the benefit of a covenant to the effect of the covenant of the Issuer contained in Section 4.01 hereof or (ii) there shall have been delivered to the Trustee an Opinion of Bond Counsel to the effect that non-compliance thereafter with the applicable provisions of the Code will not affect the then current treatment of interest on the Refunding Bonds issued as Tax-Exempt Obligations in determining gross income for Federal income tax purposes.

(f) to determine the Redemption Price or Redemption Prices, if any, and the redemption terms, if any, for the Refunding Bonds; provided, however, that if the Refunding Bonds are to be redeemable at the election of the Issuer, the Redemption Price (except in the case of taxable Refunding Bonds) shall not be greater than one hundred three percent (103%) of the principal amount of the Refunding Bonds to be redeemed, plus accrued interest thereon up to but not including the date of redemption and in the case of taxable Refunding Bonds any provisions relating to pro rata redemption and/or make whole redemption;

(h) to take all actions required for the Refunding Bonds to be eligible under the rules and regulations of The Depository Trust Company ("DTC") for investment and trading as uncertificated securities, to execute and deliver a standard form of letter of representation with DTC and, notwithstanding any provisions to the contrary contained in this Supplemental Resolution, to include in
the related Certificate of Determination such terms and provisions as may be appropriate or necessary to provide for uncertificated securities in lieu of Refunding Bonds issuable in fully registered form;

(i) to determine whether to issue all or any portion of the Refunding Bonds as Tax-Exempt Obligations, Taxable Obligations, Put Obligations, Variable Interest Rate Obligations or as any other form of Obligations permitted by the Resolution and any matters related thereto, including (i) the terms and provisions of any such Obligations, (ii) the selection of remarketing agents, tender agents, auction agents, dealers, bidding agents or any other agents or parties to ancillary arrangements and the terms of any such arrangements, and (iii) the methods for determining the accrual of Debt Service;

(j) to determine the advisability, as compared to an unenhanced transaction, of obtaining one or more Credit Facilities, to select a provider or providers thereof and to determine and accept the terms and provisions and price thereof, to determine such other matters related thereto as in the opinion of the officer executing the related Certificate of Determination shall be considered necessary or appropriate and to effect such determinations by making any changes in or additions to this Supplemental Resolution required by Credit Facility providers, if any, or required by a Rating Agency in order to attain or maintain specific ratings on the Refunding Bonds, or relating to the mechanisms for the repayment of amounts advanced thereunder or payment of fees, premiums, expenses or any other amounts, notices, the provision of information, and such other matters of a technical, mechanical, procedural or descriptive nature necessary or appropriate to obtain or implement a Credit Facility with respect to the Refunding Bonds, and to make any changes in connection therewith;

(k) to make such changes in or from the form of this Supplemental Resolution as may be necessary or desirable in order to cure any ambiguities, inconsistencies or other defects;

(l) to determine whether to (i) enter into an escrow agreement or other arrangement in connection with the issuance of Refunding Bonds, including the selection of escrow agents, verification agents and the manner of determining specified matters relating to the defeasance of the refunded obligations and (ii) purchase SLGs or open market securities and the form and substance thereof and any related investment agreement, and to determine the application of any amounts released in connection with any such refunding;

2. Any Authorized Officer shall execute one or more Certificates of Determination evidencing the determinations made pursuant to this Supplemental Resolution and any such Certificate of Determination shall be conclusive evidence of the determinations of such Authorized Officer, as stated therein. More than one Certificate of Determination may be delivered to the extent more than one Series or subseries of Refunding Bonds are delivered from time to time, or other authority is exercised under this Supplemental Resolution from time to time and each such Certificate of Determination shall be delivered to the Trustee prior to the authentication and delivery of the respective Series or subseries of Refunding Bonds by the Trustee or other documentation. Determinations set forth in any Certificate of Determination shall have the same effect as if set forth in this Supplemental Resolution. Any such Authorized Officer may exercise any authority delegated under this Supplemental Resolution from time to time following issuance of any Refunding Bonds, as appropriate for any purposes, including, in order
to change interest rate modes or auction periods, if any Refunding Bonds shall consist of multiple subseries, to change the principal amounts and number of the individual subseries or to combine all subseries into a single Series, if any Refunding Bonds consist of a single Series, to divide such Series into two or more subseries and to determine the principal amount of such subseries, obtain a substitute or additional Credit Facility or to appoint new or additional agents or other parties deemed appropriate to a particular form or mode of Obligation or manner of sale.

Section 2.10. Sale of Refunding Bonds. If it is determined that any sale of Bonds shall be conducted on a negotiated basis, each Authorized Officer is hereby authorized to sell and award the Refunding Bonds to the purchasers who shall be on the list of underwriters then approved by the Issuer and shall be referred to in the Purchase Agreement or Agreements, which Purchase Agreement or Agreements shall be substantially in the form most recently executed or delivered by the Issuer in connection with the sale of Obligations, with such revisions to reflect the terms and provisions of the Refunding Bonds as may be approved by the officer executing the Purchase Agreement (each, a “Purchase Agreement”). Each Authorized Officer is hereby authorized to agree to the selection of the representative of the underwriters as referred to in the Purchase Agreement or Agreements and to execute and deliver the Purchase Agreement or Agreements for and on behalf and in the name of the Issuer with such changes, omissions, insertions and revisions as may be approved by the officer executing the Purchase Agreement or Agreements, said execution being conclusive evidence of such approval and concurrence in the selection of the representative of the underwriters.

If it is determined that any sale of Bonds shall be conducted on a competitive bid basis, each Authorized Officer is hereby further authorized to conduct the sale and award of the Refunding Bonds on the basis of a competitive bid, pursuant to the terms of a notice of sale, including bid form (the “Notice of Sale”), in a form, including any limitations on permitted bidders and a description of the basis for determining the winning bidder or bidders, determined by such Authorized Officer. Each Authorized Officer is hereby authorized to conduct such competitive sale of the Refunding Bonds in a manner consistent with this Supplemental Resolution and to utilize the services of the Authority’s financial advisor and the services of an electronic bidding service, as such Authorized Officer shall determine, and the execution by such Authorized Officer of a letter of award shall be conclusive evidence of such award.

Each Authorized Officer is hereby authorized to make public and to authorize the use and distribution by said purchasers or other appropriate parties of a preliminary official statement, offering circular, or other disclosure document (the “Preliminary Official Statement”) in connection with each public offering or any private placement of the Refunding Bonds, in substantially the form most recently executed or delivered by the Issuer in connection with the sale of Obligations, with such changes, omissions, insertions and revisions as such officer shall deem advisable. The Issuer authorizes any of said officers to deliver a certification to the effect that such Preliminary Official Statement or Official Statement, if deemed necessary or appropriate, together with such other documents, if any, described in such certificate, was deemed final as of its date for purposes of Rule 15c2-12 of the Securities and Exchange Commission as applicable.

Each Authorized Officer is hereby authorized to make public and to authorize distribution of a final Official Statement in substantially the form of each Preliminary Official Statement or the most recently executed and delivered Official Statement if there is not a Preliminary Official Statement, with such changes, omissions, insertions and revisions as such officer shall deem advisable, to sign such Official Statement and to deliver such Official Statement to the purchasers of such issue of the Refunding Bonds, such execution being conclusive evidence of the approval of such changes, omissions, insertions and revisions.
Each Authorized Officer is hereby authorized to execute and deliver for and on behalf and in the name of the Issuer, to the extent determined by such Authorized Officer to be necessary or convenient, a Continuing Disclosure Agreement, substantially in the form appended to the Purchase Agreement or Notice of Sale, with such changes, omissions, insertions and revisions as such officer shall deem advisable (the "Continuing Disclosure Agreement"), said execution being conclusive evidence of the approval of such changes, omissions, insertions and revisions.

The proceeds of each good faith check, if any, received by the Issuer from the purchasers of each issue of Refunding Bonds under the terms of the related Purchase Agreement or Notice of Sale may be invested by the Issuer pending application of the proceeds of such good faith check for the purposes provided in Section 2.02 of this Supplemental Resolution at the time of the issuance and delivery of such Refunding Bonds.

Each Authorized Officer (including any Assistant Secretary of the Issuer) is hereby authorized and directed to execute, deliver, amend, replace or terminate any and all documents and instruments (including any remarketing agreements, tender agency agreements, dealer agreements, broker-dealer agreements, tender agent agreements, or auction agency agreements, any escrow agreements, any investment agreements or arrangements, or any reimbursement agreements or documents or instruments relating to a Credit Facility deemed appropriate to a given form or mode of an Obligation) and to do and cause to be done any and all acts necessary or proper for carrying out each Purchase Agreement or Notice of Sale, each Continuing Disclosure Agreement, the terms of any Credit Facility or other such agreement or arrangement, and the issuance, sale and delivery of each issue of the Refunding Bonds and for implementing the terms of each issue of the Refunding Bonds and the transactions contemplated hereby or thereby.

When reference is made in this Supplemental Resolution to the authorization of an Authorized Officer to do any act, such act may be accomplished by any of such officers individually.

Section 2.11. Forms of Refunding Bonds and Trustee's Authentication Certificate. Subject to the provisions of the Resolution, the form of registered Refunding Bonds, and the Trustee's certificate of authentication, shall be substantially in the form set forth in Exhibit One to the Resolution including, if necessary, any changes to comply with the requirements of DTC or the provisions of this Supplemental Resolution or any Certificate of Determination.

ARTICLE III

DISPOSITION OF REFUNDING BOND PROCEEDS

Section 3.01. Disposition of Refunding Bond Proceeds. Any proceeds of the sale of the Refunding Bonds, other than accrued interest, if any, shall be deposited, simultaneously with the issuance and delivery of the Refunding Bonds, at one time or from time to time in one or more Series or subseries, in the Proceeds Account which is deemed to be established for each Series in the Proceeds Fund to be applied, or shall otherwise be applied pursuant to a Certificate of Determination to:

(a) the refunding of any Obligations, Parity Debt or Cross-Credit Obligations, or portions of any of them, in accordance with Section 2.02 hereof; and
(b) the balance of such proceeds, exclusive of accrued interest, shall be deposited in the COI Account and applied to the payment of Costs of Issuance or otherwise applied to the payment of Costs of Issuance.

Unless otherwise provided in a Certificate of Determination, the accrued interest, if any, and any capitalized interest, received on the sale of the Refunding Bonds shall be deposited in the Debt Service Fund.

ARTICLE IV

TAX COVENANTS AND DEFEASANCE

Section 4.01. Tax Covenants Relating to the Refunding Bonds. The Issuer covenants that, in order to maintain the exclusion from gross income for Federal income tax purposes of the interest on the Refunding Bonds issued as Tax-Exempt Obligations, the Issuer will satisfy, or take such actions as are necessary to cause to be satisfied, each provision of the Code necessary to maintain such exclusion. In furtherance of this covenant, the Issuer agrees to comply with such written instructions as may be provided by Bond Counsel. In furtherance of the covenant contained in the preceding sentence, the Issuer agrees to continually comply with the provisions of any “Arbitrage and Use of Proceeds Certificate” or “Tax Certificate” to be executed by the Issuer in connection with the execution and delivery of any Refunding Bonds issued as Tax-Exempt Obligations, as amended from time to time.

Notwithstanding any other provision of the Resolution to the contrary, upon the Issuer’s failure to observe, or refusal to comply with, the above covenant (a) the Owners of the Refunding Bonds, or the Trustee acting on their behalf, shall be entitled to the rights and remedies provided to Owners or the Trustee under Section 702 of the Resolution, other than the right (which is hereby abrogated solely as to the Issuer’s failure to observe, or refusal to comply with the above covenant) to declare the principal of all Obligations then Outstanding, and the interest accrued thereon, to be due and payable pursuant to Section 567 of the Issuer Act, and (b) neither the Owners of the Obligations of any Series or holders of any Parity Debt (other than the Refunding Bonds or the Trustee acting on their behalf), nor the Trustee acting on their behalf, shall be entitled to exercise any right or remedy provided to the Owners, the Parity Debt holders or the Trustee under the Resolution based upon the Issuer’s failure to observe, or refusal to comply with, the above covenant.

The provisions of the foregoing covenants set forth in this Section shall not apply to any Refunding Bonds, including any subseries thereof, which the Issuer determines pursuant to the applicable Certificate of Determination to issue as Taxable Obligations.

Section 4.02. Additional Covenants. 1. The Issuer covenants and agrees that it will not issue any Senior Obligations under the Senior Resolution (other than pursuant to Section 205 thereof) unless in addition to satisfying the requirements of the Senior Resolution, an Authorized Officer delivers to the trustee under the Senior Resolution a certificate demonstrating that for any period of 12 consecutive calendar months out of the 18 complete calendar months next preceding the date of authentication and delivery such issue of Senior Obligations, Net Revenues are at least equal to 1.10 times the Combined Maximum Annual Calculated Debt Service for all Subordinate Revenue Obligations, Parity Debt, Senior Obligations and Senior Parity Debt.

2. The Issuer covenants and agrees that in addition to complying with the provisions of Section 604 of the Bond Resolution, the Issuer shall at all times establish, levy, maintain and collect, or cause to be established, levied, maintained and collected, such tolls, rentals and other charges in connection with the TBTA Facilities as shall always be sufficient, together with other money available
therefor (including the anticipated receipt of proceeds of sale of Obligations or other bonds, notes or other obligations or evidences of indebtedness of the Issuer that will be used to pay the principal of Obligations issued in anticipation of such receipt, but not including any anticipated or actual proceeds from the sale of TBTA Facilities), to equal or exceed in each calendar year the greater of (a) an amount equal to the sum of amounts necessary in such calendar year (i) to pay all Operating Expenses of the Issuer, plus (ii) to pay the sum of Calculated Debt Service as defined in the Bond Resolution and Calculated Debt Service as defined in the Senior Resolution, plus (iii) to maintain any reserve established by the Issuer pursuant to the Senior Resolution, in such amount as may be determined from time to time by an Authorized Officer in his or her judgment, or (b) an amount such that Revenues less Operating Expenses shall equal at least 1.10 times the sum of Calculated Debt Service as defined in the Senior Resolution and Calculated Debt Service as defined in the Bond Resolution for such calendar year.

Section 4.03. Defeasance. In the event the Issuer shall seek, prior to the maturity or redemption date thereof, to pay or cause to be paid, within the meaning and with the effect expressed in the Resolution, all or less than all Outstanding Refunding Bonds issued as Tax-Exempt Obligations and the provisions of Section 4.01 hereof shall then be of any force or effect, then, notwithstanding the provisions of Article A-XI of the Resolution, the Refunding Bonds issued as Tax-Exempt Obligations which the Issuer then seeks to pay or cause to be paid shall not be deemed to have been paid within the meaning and with the effect expressed in Section A-1101 of the Resolution unless (i) the Issuer has confirmed in writing that the Owners of the Refunding Bonds issued as Tax-Exempt Obligations which the Issuer then seeks to pay or cause to be paid will continue, after such action, to have the benefit of a covenant to the effect of the covenant of the Issuer contained in Section 4.01 hereof or (ii) there shall have been delivered to the Trustee an Opinion of Bond Counsel to the effect that non-compliance thereafter with the applicable provisions of the Code will not affect the then current treatment of interest on the Refunding Bonds issued as Tax-Exempt Obligations in determining gross income for Federal income tax purposes.

ARTICLE II

AUTHORIZATION OF REFUNDING BONDS

Section 2.01. Authorized Principal Amount, Designation and Series. Pursuant to the provisions of the Resolution and Section 3.9 of the State Service Contract, and in order to issue Obligations for the purpose of refunding Outstanding Obligations (which may be issued at one time or from time to time in any number of Series or subseries, which for purposes of this Supplemental Resolution shall collectively be referred to herein as the "Refunding Bonds", subject to redesignation as hereinafter provided) entitled to the benefit, protection and security of such provisions are hereby authorized to be issued in an aggregate principal amount not exceeding the principal amount necessary so that, after giving effect to any net original issue discount or premium and underwriters' discount from the principal amount, the amount to be deposited in the Proceeds Account pursuant to, or otherwise applied to effectuate the purposes of, Section 2.02 and Section 3.01 of this Supplemental Resolution (exclusive of the amount so deposited therein determined in any Certificate of Determination as estimated to be necessary to pay any Costs of Issuance of the Refunding Bonds payable from such Proceeds Account or otherwise applied to pay such Costs of Issuance), shall not exceed the amounts determined in one or more Certificates of Determination to be necessary to effectuate the purposes set forth in Section 2.02 hereof, provided, however, that any Refunding Bonds issued pursuant to this Supplemental Resolution shall be issued in compliance with any Board policies relating to the issuance of refunding bonds as may be in effect from time to time.

2. Nothing in this Supplemental Resolution is intended to preclude the issuance of Refunding Bonds for the purpose of refunding Outstanding Obligations in accordance with Section 202 of the Resolution. In no event shall the amount of Obligations, upon the issuance of the Refunding Bonds, exceed the amount of Obligations authorized pursuant to the terms of the State Service Contracts, nor shall the aggregate amount of debt service on all State Service Contract Obligations exceed the limitations for such debt service under State law at the time of issuance thereof.

Refunding Bonds shall be designated as, and shall be distinguished from the Obligations of all other Series by the title, "State Service Contract Bonds, Series [insert calendar year of issuance]" or such other title or titles set forth in the related Certificate of Determination.

The authority to issue Obligations and take related actions granted under previous resolutions of the Issuer shall continue in full force and effect. The authorization to issue the Refunding Bonds and take other related actions hereunder shall continue in effect without any further action by the Issuer until February 28, 2014, unless the Issuer shall have modified or repealed this authorization.

Section 2.02. Purposes. The purposes for which the Refunding Bonds are issued shall be set forth in one or more Certificates of Determination and may include the refunding, restructuring or payment, including by purchasing, exchanging or tendering therefor, of all or any portion of any Outstanding Obligations deemed advisable by an Authorized Officer in accordance with Section 202 or 203 of the Resolution, as applicable.

Section 2.03. Dates, Maturities, Principal Amounts and Interest. The Refunding Bonds, except as otherwise provided in the Resolution, shall be dated the date or dates determined in the related Certificate of Determination. The Refunding Bonds shall mature on the date or dates and in the year or years and principal amount or amounts, and shall bear interest at the rate or rates per annum, if any, specified in or determined in the manner provided in the related Certificate of Determination.
Section 2.04. Interest Payments. The Refunding Bonds shall bear interest from their date or dates and be payable on such date or dates as may be determined pursuant to the related Certificate of Determination. Except as otherwise provided in the related Certificate of Determination, interest on the Refunding Bonds shall be computed on the basis of twelve 30-day months and a 360-day year.

Section 2.05. Denominations, Numbers and Letters. Unless otherwise provided in the related Certificate of Determination, the Refunding Bonds shall be issued in fully registered form without coupons in the denomination of $5,000 or any integral multiple thereof.

The Refunding Bonds shall be lettered and numbered as provided in the related Certificate of Determination.

Section 2.06. Places of Payment and Paying Agent. Except as otherwise provided in the related Certificate of Determination, principal and Redemption Price of the Refunding Bonds shall be payable to the registered owner of each Refunding Bond when due upon presentation of such Refunding Bond at the principal corporate trust office of the Trustee. Except as otherwise provided in the related Certificate of Determination, interest on the registered Refunding Bonds will be paid by check or draft mailed on the interest payment date by the Paying Agent, to the registered owner at his address as it appears on the registration books or, at the option of any Owner of at least one million dollars ($1,000,000) in principal amount of the Refunding Bonds, by wire transfer in immediately available funds on each interest payment date to such Owner thereof upon written notice from such Owner to the Trustee, at such address as the Trustee may from time to time notify such Owner, containing the wire transfer address (which shall be in the continental United States) to which such Owner wishes to have such wire directed, if such written notice is received not less than twenty (20) days prior to the related interest payment date (such notice may refer to multiple interest payments).

Section 2.07. Sinking Fund Installments. The Refunding Bonds, if any, determined in the related Certificate of Determination shall be subject to redemption (a) in part, by lot, (b) pro rata (in the case of taxable Refunding Bonds), or (c) otherwise as determined in accordance with Section A-404 of the Resolution, as set forth in the Certificate of Determination, on each date in the year or years determined in the Certificate of Determination at the principal amount thereof plus accrued interest up to but not including the date of redemption thereof, from mandatory Sinking Fund Installments which are required to be made in amounts sufficient to redeem on each such date the principal amount of such Refunding Bonds.

Section 2.08. Redemption Prices and Terms. The Refunding Bonds may also be subject to redemption prior to maturity, at the option of the Issuer, upon notice as provided in Article A-IV of the Resolution, at any time as a whole or in part (and by lot within a maturity, or otherwise as determined in accordance with Section A-404 of the Resolution, if less than all of a maturity is to be redeemed), from maturities designated by the Issuer on and after the date and in the years and at the Redemption Prices (expressed as a percentage of principal amount) determined in the related Certificate of Determination, plus accrued interest up to but not including the redemption date. Notwithstanding the foregoing, in the case of taxable Refunding Bonds, if set forth in the Certificate of Determination, the taxable Refunding Bonds may be made subject to pro rata redemption and/or a make-whole redemption premium.

Section 2.09. Delegation to an Authorized Officer. 1. There is hereby delegated to each Authorized Officer, subject to the limitations contained in this Supplemental Resolution, the following powers with respect to the Refunding Bonds:
(a) to determine whether and when to issue any Refunding Bonds and to determine the amount of the proceeds of the Refunding Bonds to be applied to refunding purposes as well as the specific Obligations or portions of either to be refunded and the date or dates, if any, on which such refunded obligations shall be redeemed, and the amount of the proceeds of the Refunding Bonds estimated to be necessary to pay the Costs of Issuance of the Refunding Bonds;

(b) to determine the purpose or purposes for which the Refunding Bonds are being issued, which shall be one or more of the purposes set forth in Section 2.02 of this Supplemental Resolution;

(c) to determine the principal amounts of the Refunding Bonds to be issued for the purposes set forth in Section 2.02 of this Supplemental Resolution and whether such principal amounts constitute a separate Series or a subseries of Refunding Bonds, and to determine Accreted Values and Appreciated Values, if applicable;

(d) to determine the maturity date and principal amount of each maturity of the Refunding Bonds and the amount and due date of each Sinking Fund Installment, if any;

(e) to determine the date or dates which the Refunding Bonds shall be dated and the interest rate or rates of the Refunding Bonds or the manner of determining such interest rate or rates; provided, however, that any Obligations issued as Tax-Exempt Obligations shall be subject to a maximum interest rate of not greater than 10% per annum, any Obligations issued as Taxable Obligations shall be subject to a maximum interest rate of not greater than 12% per annum, any Variable Interest Rate Obligations issued as Tax-Exempt Obligations shall be subject to a maximum interest rate of not greater than 15% per annum, any Variable Interest Rate Obligations issued as Taxable Obligations shall be subject to a maximum interest rate of not greater than 18% per annum and any Parity Reimbursement Obligations shall be subject to a maximum interest rate of not greater than 25% per annum, or, in each such case, such higher rate or rates as determined by the Issuer's Board;

(f) to determine the Redemption Price or Redemption Prices, if any, and the redemption terms, if any, for the Refunding Bonds; provided, however, that if the Refunding Bonds are to be redeemable at the election of the Issuer, the Redemption Price (except in the case of taxable Refunding Bonds) shall not be greater than one hundred three percent (103%) of the principal amount of the Refunding Bonds to be redeemed, plus accrued interest thereon up to but not including the date of redemption, and in the case of taxable Refunding Bonds, any provisions relating to pro rata redemption and/or make-whole redemption;

(g) to determine whether the sale of the Refunding Bonds shall be conducted on either a negotiated or competitive bid basis and, as applicable, to determine the purchase price for the Refunding Bonds to be paid by the purchasers referred to in the Purchase Agreement or the purchase price for the Refunding Bonds to be paid by the winning bidder, if such sale is conducted by competitive bid pursuant to a Notice of Sale, in either case as such document is described in Section 2.10 of this Supplemental Resolution, which may include such original issue discount and original issue premium as shall be determined in the related Certificate of Determination; provided, however, that the underwriters' discount reflected in such purchase price shall not exceed $10.00 for each one thousand dollars ($1,000) principal amount of the Refunding Bonds;

(h) to take all actions required for the Refunding Bonds to be eligible under the rules and regulations of The Depository Trust Company ("DTC") for investment and trading as uncertificated securities, to execute and deliver a standard form of letter of representation with DTC and, notwithstanding any provisions to the contrary contained in this Supplemental Resolution, to include in
the related Certificate of Determination such terms and provisions as may be appropriate or necessary to provide for uncertificated securities in lieu of Refunding Bonds issuable in fully registered form;

(i) to determine whether to issue all or any portion of the Refunding Bonds as Tax-Exempt Obligations, Taxable Obligations, Put Obligations, Variable Interest Rate Obligations or as any other form of Obligations permitted by the Resolution and any matters related thereto, including (i) the terms and provisions of any such Obligations, (ii) the selection of remarketing agents, tender agents, auction agents, dealers, bidding agents or any other agents or parties to ancillary arrangements and the terms of any such arrangements, and (iii) the methods for determining the accrual of Debt Service;

(j) to determine the advisability, as compared to an unenhanced transaction, of obtaining one or more Credit Facilities, to select a provider or providers thereof and to determine and accept the terms and provisions and price thereof, to determine such other matters related thereto as in the opinion of the officer executing the related Certificate of Determination shall be considered necessary or appropriate and to effect such determinations by making any changes in or additions to this Supplemental Resolution required by Credit Facility providers, if any, or required by a Rating Agency in order to attain or maintain specific ratings on the Refunding Bonds, or relating to the mechanisms for the repayment of amounts advanced thereunder or payment of fees, premiums, expenses or any other amounts, notices, the provision of information, and such other matters of a technical, mechanical, procedural or descriptive nature necessary or appropriate to obtain or implement a Credit Facility with respect to the Refunding Bonds, and to make any changes in connection therewith;

(k) to make such changes in or from the form of this Supplemental Resolution as may be necessary or desirable in order to cure any ambiguities, inconsistencies or other defects; or to enter into any new or amended State Service Contract necessary or advisable to effectuate the purposes of this Supplemental Resolution.

(l) to determine whether to (i) enter into an escrow agreement or other arrangement in connection with the issuance of Refunding Bonds, including the selection of escrow agents, verification agents and the manner of determining specified matters relating to the defeasance of the refunded obligations and (ii) purchase SLGS or open market securities and the form and substance thereof and any related investment agreement, and to determine the application of any amounts released in connection with any such refunding;

(m) to determine that such Refunding Bonds comply with all Board policies relating to the issuance of refunding obligations in effect at the time of such determination; and

(n) to determine such other matters specified in or permitted by (i) Sections 201, 202, 203, and A-201 of the Resolution or (ii) this Supplemental Resolution.

Any Authorized Officer shall execute one or more Certificates of Determination evidencing the determinations made pursuant to this Supplemental Resolution and any such Certificate of Determination shall be conclusive evidence of the determinations of such Authorized Officer, as stated therein. More than one Certificate of Determination may be delivered to the extent more than one Series or subseries of Refunding Bonds are delivered from time to time, or other authority is exercised under this Supplemental Resolution from time to time and each such Certificate of Determination shall be delivered to the Trustee prior to the authentication and delivery of the respective Series or subseries of Refunding Bonds by the Trustee or other documentation. Determinations set forth in any Certificate of Determination shall have the same effect as if set forth in this Supplemental Resolution. Any such Authorized Officer may exercise any authority delegated under this Supplemental Resolution from time to time following issuance of any Refunding Bonds, as appropriate for any purposes, including, in order
to change interest rate modes or auction periods; if any Refunding Bonds shall consist of multiple subseries, to change the principal amounts and numbers of the individual subseries or to combine all subseries into a single Series, if any Refunding Bonds consist of a single Series, to divide such Series into two or more subseries and to determine the principal amount of each such subseries, obtain a substitute or additional Credit Facility or to appoint new or additional agents or other parties deemed appropriate to a particular form or mode of Obligation or manner of sale.

Section 2.10. Sale of Refunding Bonds. If it is determined that any sale of Bonds shall be conducted on a negotiated basis, each Authorized Officer is hereby authorized to sell and award the Refunding Bonds to the purchasers who shall be on the list of underwriters then approved by the Issuer and shall be referred to in the Purchase Agreement or Agreements, which Purchase Agreement or Agreements shall be substantially in the form most recently executed or delivered by the Issuer in connection with the sale of Obligations, with such revisions to reflect the terms and provisions of the Refunding Bonds as may be approved by the officer executing the Purchase Agreement (each, a "Purchase Agreement"). Each Authorized Officer is hereby authorized to agree to the selection of the representative of the underwriters as referred to in the Purchase Agreement or Agreements and to execute and deliver the Purchase Agreement or Agreements for and on behalf and in the name of the Issuer with such changes, omissions, insertions and revisions as may be approved by the officer executing the Purchase Agreement or Agreements, said execution being conclusive evidence of such approval and concurrence in the selection of the representative of the underwriters.

If it is determined that any sale of Bonds shall be conducted on a competitive bid basis, each Authorized Officer is hereby further authorized to conduct the sale and award of the Refunding Bonds on the basis of a competitive bid, pursuant to the terms of a notice of sale, including bid form (the "Notice of Sale"), in a form, including any limitations on permitted bidders and a description of the basis for determining the winning bidder or bidders, determined by such Authorized Officer. Each Authorized Officer is hereby authorized to conduct such competitive sale of the Refunding Bonds in a manner consistent with this Supplemental Resolution and to utilize the services of the Authority's financial advisor and the services of an electronic bidding service, as such Authorized Officer shall determine, and the execution by such Authorized Officer of a letter of award shall be conclusive evidence of such award.

Each Authorized Officer is hereby authorized to make public and to authorize the use and distribution by said purchasers or other appropriate parties of a preliminary official statement, offering circular, or other disclosure document (the "Preliminary Official Statement") in connection with each public offering or any private placement of the Refunding Bonds, in substantially the form most recently executed or delivered by the Issuer in connection with the sale of Obligations, with such changes, omissions, insertions and revisions as such officer shall deem advisable. The Issuer authorizes any of said officers to deliver a certification to the effect that such Preliminary Official Statement or Official Statement, if deemed necessary or appropriate, together with such other documents, if any, described in such certificate, was deemed final as of its date for purposes of Rule 15c2-12 of the Securities and Exchange Commission as applicable.

Each Authorized Officer is hereby authorized to make public and to authorize distribution of a final Official Statement in substantially the form of each Preliminary Official Statement or the most recently executed and delivered Official Statement if there is not a Preliminary Official Statement, with such changes, omissions, insertions and revisions as such officer shall deem advisable, to sign such Official Statement and to deliver such Official Statement to the purchasers of such issue of the Refunding Bonds, such execution being conclusive evidence of the approval of such changes, omissions, insertions and revisions.
Each Authorized Officer is hereby authorized to execute and deliver for and on behalf and in the name of the Issuer, to the extent determined by such Authorized Officer to be necessary or convenient, a Continuing Disclosure Agreement, substantially in the form appended to the Purchase Agreement or Notice of Sale, with such changes, omissions, insertions and revisions as such officer shall deem advisable (the "Continuing Disclosure Agreement"), said execution being conclusive evidence of the approval of such changes, omissions, insertions and revisions.

The proceeds of each good faith check, if any, received by the Issuer from the purchasers of each issue of Refunding Bonds under the terms of the related Purchase Agreement or Notice of Sale may be invested by the Issuer pending application of the proceeds of such good faith check for the purposes provided in Section 2.02 of this Supplemental Resolution at the time of the issuance and delivery of such Refunding Bonds.

Each Authorized Officer (including any Assistant Secretary of the Issuer) is hereby authorized and directed to execute, deliver, amend, replace or terminate any and all documents and instruments (including any remarketing agreements, tender agency agreements, dealer agreements, broker-dealer agreements, tender agent agreements, or auction agency agreements, any escrow agreements, any investment agreements or arrangements, or any reimbursement agreements or documents or instruments relating to a Credit Facility deemed appropriate to a given form or mode of an Obligation) and to do and cause to be done any and all acts necessary or proper for carrying out each Purchase Agreement or Notice of Sale, each Continuing Disclosure Agreement, the terms of any Credit Facility or other such agreement or arrangement, and the issuance, sale and delivery of each issue of the Refunding Bonds and for implementing the terms of each issue of the Refunding Bonds and the transactions contemplated hereby or thereby.

When reference is made in this Supplemental Resolution to the authorization of an Authorized Officer to do any act, such act may be accomplished by any of such officers individually.

Section 2.11. Forms of Refunding Bonds and Trustee's Authentication Certificate. Subject to the provisions of the Resolution, the form of registered Refunding Bonds, and the Trustee's certificate of authentication, shall be substantially in the form set forth in Exhibit One to the Resolution including, if necessary, any changes to comply with the requirements of DTC or the provisions of this Supplemental Resolution or any Certificate of Determination.

Section 2.12. Appointment of Trustee and Paying Agent. Unless otherwise provided by Certificate of Determination, The Bank of New York Mellon, as successor in interest to JPMorgan Chase Bank, N.A. shall be the Trustee under the Resolution and the Paying Agent for the Refunding Bonds.
ARTICLE III

DISPOSITION OF REFUNDING BOND PROCEEDS

Section 3.01. Disposition of Refunding Bond Proceeds. Any proceeds of the sale of the Refunding Bonds, other than accrued interest and capitalized interest, if any, shall be deposited, simultaneously with the issuance and delivery of the Refunding Bonds, at one time or from time to time in one or more Series or subseries, in the Proceeds Account which is deemed to be established for each Series in the Proceeds Fund to be applied, or shall otherwise be applied pursuant to a Certificate of Determination to:

(a) the refunding of any Obligations in accordance with Section 2.02 hereof; and

(b) the balance of such proceeds, exclusive of accrued interest, shall be deposited in the Costs of Issuance Account and applied to the payment of Costs of Issuance or otherwise applied to the payment of Costs of Issuance.

Unless otherwise provided in a Certificate of Determination, the accrued interest, if any, and any capitalized interest, received on the sale of the Refunding Bonds shall be deposited in the Debt Service Fund.
ARTICLE IV

TAX COVENANTS AND DEFEASANCE

Section 4.01. Tax Covenants Relating to the Refunding Bonds. The Issuer covenants that, in order to maintain the exclusion from gross income for Federal income tax purposes of the interest on the Refunding Bonds issued as Tax-Exempt Obligations, the Issuer will satisfy, or take such actions as are necessary to cause to be satisfied, each provision of the Code necessary to maintain such exclusion. In furtherance of this covenant, the Issuer agrees to comply with such written instructions as may be provided by Bond Counsel. In furtherance of the covenant contained in the preceding sentence, the Issuer agrees to continually comply with the provisions of any "Arbitrage and Use of Proceeds Certificate" or "Tax Certificate" to be executed by the Issuer in connection with the execution and delivery of any Refunding Bonds issued as Tax-Exempt Obligations, as amended from time to time.

Notwithstanding any other provision of the Resolution to the contrary, upon the Issuer's failure to observe, or refusal to comply with, the above covenant (a) the Owners of the Refunding Bonds, or the Trustee acting on their behalf, shall be entitled to the rights and remedies provided to Owners or the Trustee under Section 702 of the Resolution, and (b) neither the Owners of the Obligations of any Series or holders of any Parity Debt (other than the Refunding Bonds or the Trustee acting on their behalf), nor the Trustee acting on their behalf, shall be entitled to exercise any right or remedy provided to the Owners, the Parity Debt holders or the Trustee under the Resolution based upon the Issuer's failure to observe, or refusal to comply with, the above covenant.

The provisions of the foregoing covenants set forth in this Section shall not apply to any Refunding Bonds, including any subseries thereof, which the Issuer determines pursuant to the applicable Certificate of Determination to issue as Taxable Obligations.

Section 4.02. Defeasance. In the event the Issuer shall seek, prior to the maturity or redemption date thereof, to pay or cause to be paid, within the meaning and with the effect expressed in the Resolution, all or less than all Outstanding Refunding Bonds issued as Tax-Exempt Obligations and the provisions of Section 4.01 hereof shall then be of any force or effect, then, notwithstanding the provisions of Article A-XI of the Resolution, the Refunding Bonds issued as Tax-Exempt Obligations which the Issuer then seeks to pay or cause to be paid shall not be deemed to have been paid within the meaning and with the effect expressed in Section A-1101 of the Resolution unless (i) the Issuer has confirmed in writing that the Owners of the Refunding Bonds issued as Tax-Exempt Obligations which the Issuer then seeks to pay or cause to be paid will continue, after such action, to have the benefit of a covenant to the effect of the covenant of the Issuer contained in Section 4.01 hereof or (ii) there shall have been delivered to the Trustee an Opinion of Bond Counsel to the effect that non-compliance thereafter with the applicable provisions of the Code will not affect the then current treatment of interest on the Refunding Bonds issued as Tax-Exempt Obligations in determining gross income for Federal income tax purposes.

| COMMENTS: |

In response to a recent MTA request for proposals for a retail concession space at Metro-North’s New Hamburg Station, two proposals were received. The highest rent was proposed by F.A.M. Group LLC, which offered $2,700 for the initial year with 3% annual increases over the term of the lease. Such rent exceeds the estimated fair market rental value of $1,500 per annum, as estimated by MTA Real Estate’s independent consultant. Over the 10 year term, the present value of the proposed rent, using a 9% discount rate, is $19,454. The second proposal was submitted by Airport Restaurant, Inc., which proposed rent with a present value of $13,861.
The president of F.A.M. Group, Mr. Felipe Cordero, is a local resident and is very familiar with the station. He plans to offer coffee, tea, pastries, fruits, snacks and newspapers/magazines. Mr. Cordero has the financial capacity to renovate and operate the concession, and will personally guarantee F.A.M. Group's obligations under the lease.

Based on the foregoing, MTA Real Estate requests authorization to enter into a lease agreement with F.A.M. Group LLC on the above-described terms and conditions.

In response to a recent MTA request for proposals for a retail concession space at Metro-North's Beacon Station, four proposals were received. The highest proposal came from Airport Restaurant, Inc., which offered $6,300 for the initial year with 3% annual increases over the term of the lease, a present value of $45,826 calculated using a 9% discount rate. The second highest proposal was from Debo Food Service LLC, which proposed $5,100 in the first year with 4.5% increases over the term, with a present value of $39,233. Copper Roof Deli also proposed a first year rent of $5,100, with 3% increases over the term of the lease and a present value of $36,747.
Finally, Nance Cohen offered $4,200 in the first year with 3% increases over the term of the lease, yielding a present value of $30,289.

All things being equal, MTA Real Estate would recommend award to the high bidder, but in this case Real Estate recommends awarding the lease to Copper Roof Deli, whose bid was a close third. The credit and background checks and financial information of Airport Restaurant LLC did not convince Real Estate that the proposer has the financial wherewithal to renovate and operate the shop in the required manner. The second highest proposer, Debo Food Services, refused to provide an estimated cost of proposed improvements, despite repeated requests, and likewise failed to demonstrate sufficient financial capacity to construct and open the concession.

Accordingly, MTA Real Estate recommends that the lease be awarded to Copper Roof Deli LLC. The proposed rent from Copper Roof Deli exceeds the estimated fair market rental value of $5,040 per annum, as estimated by MTA Real Estate's independent consultant. The managing member of Copper Roof Deli, Mr. Timothy Owen, owns a deli located in Beacon approximately one mile from the station, which will support the concession at the Beacon station. Mr. Owen is also a construction contractor and therefore is in a position to renovate the concession space in a relatively short period. He has a good credit history and demonstrated the financial capacity, verified in his credit report, to build out and operate the concession. Mr. Owen will personally guarantee the obligations of the corporate entity under the lease.

Based on the foregoing, MTA Real Estate requests authorization to enter into a lease agreement with Copper Roof Deli LLC on the above-described terms and conditions.
Purpose:

To obtain Board authorization for the MTA, LIRR, and NYCT to enter the following agreements necessary to effectuate improvements to the Connecting Corridor in Penn Station ("Connecting Corridor Improvements") which are necessary to advance Phase 1 of the Moynihan Station project (the "Project"): (1) a Subway/Railroad License and Indemnity Agreement among MTA, LIRR, NYCT and Moynihan Station Development Corporation ("MSDC"); (2) an amendment to the existing lease between LIRR and Vornado Realty Trust in Penn Station and: (3) any other agreements necessary to effectuate Phase 1 of the Project.

Discussion:

In May, 2012, the Board authorized the MTA and LIRR to execute several agreements with MSDC and Amtrak to allow the commencement of the work in Penn Station to effectuate Phase 1 of the development of Moynihan Station. The agreements which were authorized at that time allowed the commencement of the expansion of the existing West End Concourse ("WEC") in Penn Station. Since that time, MSDC has issued contracts for the construction improvements to the WEC, and that work is ongoing.

Phase 1 also includes improvement to the area known as the "Connecting Corridor," which connects the Eighth Avenue Subway to Penn Station, including the WEC. A new $30 million USDOT grant to MSDC will fund the Connecting Corridor Improvements. A portion of that work will occur within areas owned or controlled by LIRR and NYCT. The improvements include expansion and rehabilitation of the Connecting Corridor underneath Eighth Avenue between Penn Station and the expanded WEC, the relocation of the subway stairs at 33rd Street and 8th Avenue and associated subway mezzanine work, the construction of an ADA-accessible ramp, and the reconfiguration of subway entrance gates to the 8th Avenue subway, within the Connecting Corridor. Pursuant to the proposed Subway/Railroad License and Indemnity Agreement, NYCT and LIRR will provide MSDC a license to allow MSDC and its contractors to enter NYCT and LIRR space in order to perform the Connecting Corridor Improvements. MSDC and its contractors will undertake the construction in accordance with plans submitted to and approved by NYCT and LIRR in accordance with commonly-accepted industry standards. Under the Subway/Railroad License and Indemnity Agreement, MSDC will reimburse NYCT for various specified categories of force account costs and expenses, estimated at approximately $1,250,000. LIRR force account costs will be reimbursed in accordance with the terms of the earlier Phase 1 Agreement. Under the Subway/Railroad License and Indemnity Agreement, MSDC will provide broad indemnification to MTA, NYCT and LIRR, among others, including with respect to both its design and construction work.
In order to construct the ADA-accessible ramp, which is part of the Connecting Corridor improvements, MSDC needs to utilize 186 square feet of space ("ADA Space") which is currently leased by LIRR to Vornado Realty Trust ("Vornado") and subleased by Vornado to HSBC Bank. As part of the proposed transaction, LIRR will amend its lease with Vornado in order to recapture the ADA Space after May 31, 2015, which is the expiration of the HSBC sublease. MSDC has agreed to pay LIRR approximately $1.140 million, which LIRR shall cause to be disbursed to Vornado, for the recapture of the leased ADA Space. MSDC will be responsible to Vornado for the cost and performance of the work necessary to relocate the retail storefront and to deliver a retail storefront of equivalent quality of the current storefront which currently exists, as of the date of the leasehold amendment.

**Recommendation:**

It is recommended that the Board authorize the MTA, LIRR and NYCT to execute: (1) a Subway/Railroad License and Indemnity Agreement among MTA, LIRR, NYCT and MSDC; (2) an amendment to the existing lease between LIRR and Vornado Realty Trust in Penn Station; and (3) any other necessary agreements to effectuate Phase 1 of the Project.
The Procurement Agenda this month includes 4 actions for a proposed expenditure of $3.1M.

This modification is to provide maintenance and support services for 40 additional Fujitsu communication devices installed as part of SONET/ATM Communications Network System (SACNS) Phase 2. Included in these 40 additional devices are 36 new dense wave division multiplexing devices, two SONET multiplexers and two Carrier over Ethernet devices, which provide high speed communications over the network.

Phase 1 of the SACNS, under Contract No. W-32648, designed, furnished and installed a SONET network that transmits all Asynchronous Transfer Mode (ATM) switch traffic from passenger stations in Sub-division “A”. Phase 2 of the SACNS, under Contract No. W-32652, provided the ATM switch and ancillary equipment required to complete the SACNS network for Sub-division “B”. In both phases, the existing fiber optic cable was extended into each passenger station’s communication room, which allowed for delivery of network connectivity to the passenger stations. NYC Transit is now in the process of closing out Contract No. W-32652 and, subsequent to closeout, in-house staff will be responsible for the operation of the SACNS equipment as well as for the coordination of maintenance and support that will be provided by the manufacturer, Fujitsu.

The Board, in June 2009, approved the award of a non-competitive five year contract to Fujitsu to provide unlimited on-site maintenance support of NYC Transit’s 58 Fujitsu devices installed in the SACNS network. This service includes remote (24/7) technical assistance, training, software updates and new releases, repair and return of all parts, equipment and components, on-site support and troubleshooting. The work under this modification will provide the same level of service and maintenance support for 40 additional units that were provided under SACNS Phase 2 for the Sub-Division “B” and will be for the period of January 1, 2013 through December 31, 2014. Consistent with the basis of the original non-competitive award and due to the criticality of the network, maintenance of the Fujitsu equipment installed under SACNS Phase 2 will be obtained by contracting directly with the subsystems manufacturer.

Fujitsu’s price of $414,126 includes maintenance of 40 units for a 24 month period from January 1, 2013 through December 31, 2014. The unit price for support of this additional equipment reflects a 20% discount off their current list price and is the same discount that was applied to their GSA price list in the base contract. Based on this discount level, the price is considered fair and reasonable.

Discussion:

This retroactive modification is for the repair of the 10th Street subway wall between 4th and 5th Avenues in Brooklyn.

This contract is for the rehabilitation of the Culver Line Viaduct in Brooklyn, which was built in 1930, including rehabilitation of the concrete viaduct deck, removal of existing ballasted tracks, signals and cables, installation of new low vibration tracks, replacement of existing switches and signals, and drainage work. The contract work is located between the 7th Avenue Station (in the south) and the Bergen Street Station (in the north).

The 10th Street subway wall is above ground, approximately 325 feet long and constructed of concrete. It supports a public area above. During the pre-award survey some deterioration due to water leaks was observed, but the condition of the wall was determined to be safe and, due to budget constraints, was not included in the contract scope. However, after contract award, during regular maintenance inspections, Subways observed further deterioration and by concrete core testing determined that the wall was in severely deteriorated condition and required extensive repair.

The wall is approximately 10 feet high at the south end, gradually increasing to 30 feet high at the north end. This modification provides for the reconstruction of 120 feet of wall at the south end. It also provides for the reconstruction of a deteriorated communications manhole at the north end and the reconstruction of 30 feet of wall at the manhole location. Finally, this modification provides for the repair of spalled and cracked concrete along the other 175 feet of wall. The best way to address the need for immediate repairs, and take advantage of a track shutdown, was to issue a modification to this contract.

The contractor’s initial proposal was $3,163,650. NYC Transit’s revised estimate was $1,900,000. Following negotiations, the lump sum price of $1,807,500 was agreed upon and found to be fair and reasonable. A savings of $1,356,150 was achieved.

The contractual substantial completion date of this contract is February 5, 2013. To avoid impacting the contract schedule, the SVP & Chief Engineer approved a retroactive waiver on November 14, 2011 to allow work to be performed during a planned four-month track shutdown from November 2011 to March 2012. About three-quarters of the work was performed during that shutdown. The balance, principally the manhole work, is ongoing. An estimate and proposal were developed in May 2012; and following review by MTA Audit, this modification concluded with final negotiations in October 2012. This modification did not delay contract completion.

### Discussion:

This retroactive modification adds and changes rooms in the Depot.

This contract is for the design and construction of the new Mother Clara Hale Depot in the Borough of Manhattan. Since this is a design/build contract, the contract provides a conceptual design. The contract documents clearly depicted the Depot building’s internal layout, including rooms and their designations, and specified room finishes (type and color of flooring, walls, ceilings, and types and quantities of doors and windows), electrical requirements (type and quantity of light fixtures, outlets and switches), communications requirements (type and quantity of telephone and data outlets), HVAC requirements (air flow to each room, type and quantity of air supply and air return registers), etc.

In January 2011, the Department of Buses requested changes to the designation, layout and finishes of certain rooms and added two new dispatcher rooms. The conceptual design called for a dispatcher’s room on the 1st floor only; however since buses are parked on the 2nd and 3rd floors, dispatcher rooms are needed there as well. The Assistant General Manager’s room was moved from the 2nd floor to the mezzanine, next to his staff which is located there. Other rooms on the mezzanine and second floor were either rearranged or combined for multiple uses, such as for swing space or a lunch room, and one room was deleted. Finally, the garbage compactor was relocated from the 1st floor to the 2nd floor; which is optimal since most of the garbage comes from the daily cleaning of buses parked on the 2nd and 3rd floors.

This modification provides for the contractor’s additional design and construction costs for these additional and changed rooms. Additional design work for the rooms with changed designations, internal layouts and finishes included: code review and calculations (occupancy load, egress analysis, etc.); revised finishes (floors, walls, ceilings); revised cooling load calculations, ductwork and piping layouts; revised fire protection; revised electrical, communication and revised lighting layouts, etc. Additional construction work included the furnishing and installation of the net additional finishes, ductwork, electrical wiring, fire protection, etc. The contractor’s proposal was $546,395; NYC Transit’s revised estimate was $283,000. Following negotiations, the lump sum price of $285,000 was agreed upon and found to be fair and reasonable. A savings of $261,395 was achieved.

To avoid impacting the contract schedule, the SVP & Chief Engineer approved a retroactive waiver on October 19, 2011 and the contractor was directed to begin the design work that day. Design was negotiated first, then a scope was developed, and then the initial estimate and proposal were developed for negotiation of construction. The construction for this modification has only recently begun.

Discussion:

This retroactive modification is for changes to the brownstone restoration of the historical Corbin Building. To avoid schedule impact, this work had to begin without delay. Consequently, the MTACC President approved a retroactive waiver on September 27, 2012.

The contract calls for the removal of existing stucco and partial removal of the existing brownstone underneath to accommodate the installation of new brownstone veneer for the northwest, west and southwest corners of the building’s first floor. Upon removal of the stucco, previously undetected field conditions were uncovered, including existing concrete piers at the northwest and southwest corners of the building and existing structural steel elements at the northwest corner of the building. Additionally, due to the condition of the existing brownstone, it was insufficient to support the weight of the new veneer. In order to address these conditions, it is necessary to use brownstone blocks, which have more than twice the depth of the veneer.

This modification includes the complete removal of the existing brownstone underneath the stucco and the furnishing and installation of brownstone blocks in lieu of brownstone veneer for the northwest, west and southwest corners of the building’s first floor. This modification also includes temporary steel shoring to support the building façade where brownstone has been removed, brownstone veneer repair along the John Street side of the building and additional carved brownstone for the 4th floor water table ledge.

The contractor’s proposal was $851,168; MTACC’s revised estimate was $532,567. Negotiations resulted in the agreed upon net lump sum price of $565,000, which is considered fair and reasonable. Savings of $286,169 were achieved.

   Corp./Tribologik
   Four Bids/Low Bidder – Four-year contract
   Contract # RFQ 20624
   $526,848 (Est.)

   This contract is for the periodic testing and analysis of bus coolant (anti-freeze) drawn from revenue service buses for NYC Transit’s Department of Buses (DOB) and MTA Bus Company (MTABC). DOB and MTABC adhere to a Bus Cooling System Maintenance Policy requiring the use of pre-mixed bus coolant and an on board dosing system (Need Release Filter) that periodically adds chemicals to the coolant in the bus to provide effective protection to the engine and bus cooling system. Coolant samples from each bus are subjected to a pre-established series of physical and chemical analyses.

   In addition to the testing, this contract includes providing analysis trends and reports, making specific recommendations of corrective actions for abnormal coolant sample results deemed significant, and conducting training sessions for DOB and MTABC personnel.

   Procurement performed an extensive outreach to the marketplace. Predictive Maintenance Corp./Tribologik’s bid price of $15.68 per sample is 25% lower than the price of the next low bidder and, 64% lower than the price of the current contract. The price is considered fair and reasonable.

Internal Approvals (cont.)

Purpose:
To authorize a public hearing with regard to proposed service changes at Hudson Line stations in the Bronx and Westchester County, to be effective in April 2013.

Discussion:
Under the requirements of the Public Authorities Law and standards established by the MTA Board as required by the Federal Transit Administration, MNR is required to conduct public hearings prior to implementation of any service change that represents a change in frequency of service greater than 25% to any station on a given day.

As part of the MTA 2012 Service Investments Program, MNR proposes to add station stops to certain Hudson Line trains and add some new trains, which collectively would increase the frequency of service by more than 25% on certain days of the week at those stations.

Effective in April 2013, MNR proposes to add stops at the Spuyten Duyvil, Riverdale, and Irvington stations, to most off-peak and weekend semi-express trains that operate between Croton-Harmon and Grand Central Terminal (GCT). In addition, most off-peak and weekend trains that operate between Poughkeepsie and GCT, some of which stop at select stations between Croton-Harmon and GCT and others which run express between Croton-Harmon and GCT, would now stop at Tarrytown and Ossining stations, running express between GCT and Tarrytown. New semi-express trains would be operated between Croton-Harmon and GCT replacing the stops on the Poughkeepsie trains and also making additional stops at Spuyten Duyvil, Riverdale, and Irvington.

The additional stops at the Spuyten Duyvil, Riverdale and Irvington stations on existing and new semi-express trains would result in a change in frequency of service greater than 25% to these three stations on at least one day per week.
In addition, to match Hudson Rail Link feeder bus service to the proposed new service frequency at Spuyten Duyvil and Riverdale stations, MNR proposes to increase the frequency of service on Hudson Rail Link feeder bus routes serving these rail stations. This proposed increase in Hudson Rail Link bus service would result in a change in frequency of service greater than 25% to the bus stops on these bus routes on at least one day per week.

Recommendation:
That the Board authorize a public hearing with regard to proposed service changes at Hudson Line stations in the Bronx and Westchester County, to be effective in April 2013.

1. Railware, Inc. $185,000 (not-to-exceed)  
   TDPro Alarm Software for MNR’s Centralized Traffic Control System
   Approval is requested for a non-competitive, negotiated, miscellaneous procurement contract with Railware, Inc. to upgrade the present Railware Track Driver Professional (TDPro) Alarm System Software Module in the total not-to-exceed amount of $185,000. The TDPro Alarm System Software Module captures all mission-critical and safety sensitive alarms that the MNR Centralized Traffic Control (CTC) system generates and it is also responsible for notifying the Rail Traffic Controllers when alarm events occur. These alarms include loss of shunt, overrun, power off, loss of code lines, unsolicited indications and ground detection, among other alarms.

The TDPro module is a legacy software module originally designed to operate on the early operating systems dating back to when the CTC was originally commissioned in the mid 1990's. Since the consolidation of the North and the South CTC systems into one system platform, the module has become incapable of managing the volume of alarms being generated by the CTC system. The module needs to be rewritten so it can operate effectively and efficiently on today’s operating software system platforms.

As the Original Equipment Manufacturer (OEM) of the CTC and the proprietary software developer for TDPro, Railware is the only authorized source for modifications made to its CTC systems and is uniquely qualified to provide expert support for all of the software applications and components installed with the CTC systems. These application software systems are unique to Metro-North.

Negotiations with Railware by MNR’s P&MM Dept. resulted in a 7.5% or $15,000 reduction in the original price proposed for the upgrade. The negotiated price of $185,000 is 7.5% below the engineer’s estimate and approximately 17% below the price for other complex software developments similar in nature to TDPro. The price of the upgrade includes design, implementation, testing and training of the TDPro alarm system over an eight week period. This procurement is to be funded by MNR’s Operating Budget.

1. ENSCO, Inc. $85,000
   Sole Source Not-to-Exceed
   PO # TBD

LIRR requests MTA Board approval to award a Sole Source Contract to ENSCO, Inc. ("ENSCO") in an amount not-to-exceed $85,000 for a 36-month period. Under the contract, ENSCO will provide, on an as required basis, engineering and technical assistance and replacement parts required to support and maintain the ENSCO Gauge Restraint Measurement System (GRMS). The GRMS is an integral component installed on LIRR’s TC-82 Track Geometry Vehicle used to measure, record and analyze track geometry characteristics, specifically defective railroad ties and fasteners prior to their failure, so that they can be replaced as part of LIRR’s daily preventive maintenance process or a future capital program. This system enables LIRR to effectively plan or make proactive repairs, which preserves our on-time performance and ensures our service reliability. ENSCO is the Original Equipment Manufacturer and the sole responsible source for replacement parts and technical assistance for the GRMS. LIRR advertised its intent to award a sole-source contract to ENSCO in the NYS Contract Reporter and in the NY Post. No other supplier expressed an interest in competing for this contract. A breakdown of the $85,000 estimated cost is as follows: (i) $30,000 for on-site support, (ii) $5,000 for telephone and internet support, and (iii) $50,000 for spare parts required for preventative maintenance. Depending on the variability of requirements, the funds may be re-distributed among the three price elements set forth in this BPO. This is a renewal contract. Under the previous contract, labor rates charged by ENSCO were in accordance with their GSA contract plus a mark-up of 2%. ENSCO has agreed to offer the LIRR the labor rates from GSA contract (9GS-23F-0272K), however, they have reduced their mark-up to 1%. The GSA Contract does not contain prices for parts. Spare parts prices represent a 5% increase from the prices paid by LIRR in 2012 and will be firm for the 3 year contract period. For the reasons stated above, ENSCO’s prices are determined to be fair and reasonable.

   Firm Fixed Price

LIRR requests MTA Board approval to award a competitively bid, Miscellaneous Service contract to Metropolitan Paper Recycling, Inc. (MPR), for the scheduled collection and lawful disposal of recyclable mixed office paper from nineteen LIRR locations in Queens and Nassau Counties. The contract will be for a thirty-six month term, from December 1, 2012; through November 30, 2015. Insofar as paper recycling is listed as a NYSOGS Preferred Source Offering, LIRR reached out to New York Industries for the Disabled, who reviewed the scope and declined to propose LIRR also reached out to numerous small, minority and women owned businesses (S/M/WBE), through the Discretionary Procurement Procedure, receiving no responses. The public advertisement for this renewal contract appeared in the NYS Contract Reporter on September 9, 2012, and the NY Post on September 13, 2012. The bid price schedule was based on fixed pricing for scheduled weekly, bi-weekly and monthly container pick-ups at the nineteen (19) locations during the three-year term. LIRR received five (5) bids as follows: the incumbent MPR - $66,908; Filco Carting - $67,553; Royal Waste - $87,595; Boro-Wide Recycling - $128,205; and Basin Hauling - $147,894. MPR’s bid of $66,908 is 32% less than the average bid price of $99,631, and 0.96% less than Filco Carting’s 2nd low bid of $67,553. Based on competitive bidding, MPR's bid is considered fair & reasonable. Funding for the contract is included in LIRR’s Operating Budget.

#### Discussion:

This contract is for the upgrade of the existing Broadware software system to a Cisco system for the Integrated Electronic Security System ("IESS"). In accordance with Article III of the All Agency Guidelines for the Procurement of Services, MTACC requests Board approval for a modification to the contract to upgrade existing Intergraph software which must also be upgraded in order to complete the upgrade to the Cisco system.

The upgrade from the Broadware system to the Cisco system is required because Broadware Technology Inc. was acquired by Cisco and Cisco is no longer supporting the Broadware system. This modification is for the Intergraph software upgrade and will include installation, configuration, testing and problem resolution. Intergraph is the primary user interface software for the IESS to view and control video and access control. After award, a determination was made that for compatibility reasons, Cisco could not be updated without also upgrading Intergraph, in a controlled and coordinated fashion. A single qualified contractor's control of both upgrades is required in order to provide the necessary compatibility and functionality while maintaining our security operational readiness.

The Contractor proposed $798,576 while the MTACC in-house estimate was $404,147. Negotiations and scoping sessions were held and the parties agreed to a cost of $415,000 which is considered fair and reasonable.

Discussion:

This contract is for the construction of various civil infrastructure elements in Harold Interlocking and to expand the existing LIRR/AMTRAK right-of-way to enable mainline track diversions and facilitate the future construction of tunnels for the East Side Access ("ESA") Project. Pursuant to Article IX of the MTA All-Agency Procurement Guidelines, MTACC seeks Board approval to modify the contract for installation of utilities in and to the south of Microtunnel Run #12.

Microtunnel Run #12 was added as a modification to this Contract to replace the original design of aerial crossings. The original design was rejected by Amtrak and LIRR because of the long term track outages that would have been required for installation. This modification includes construction and installation of (i) three manholes and ductbanks; (ii) conduit and grouting within Microtunnel Run #12; and (iii) the ductbanks on the south side of Microtunnel Run #12. The design for the ductbanks and manholes associated with Microtunnel Run #12 were not finalized when the modification for Microtunnel Run 12 was executed. However, because the contractor was already performing work on Microtunnel Runs 6 & 7, to save mobilization and demobilization costs it was determined to proceed with the microtunnel work and to add the utility work in subsequent modifications. Additional utility work on the north side of Microtunnel #12 will be handled under a separate future modification to allow for a potential redesign that is being evaluated in an effort to gain schedule and decrease required Force Account resources.

The Contractor submitted a cost proposal of $5,681,338 for the microtunneling work and all manholes and ductbanks up to the southside of the Harold Access Bridge. MTACC’s project estimate was $5,292,553. Negotiations were held and both parties agreed to $5,520,000, which is considered fair and reasonable. There is no time impact associated with the modification. An errors and omission analysis will be conducted to determine if the cost for this modification is recoverable from the designer.
**Discussion:**

This Contract is for the structural and architectural rehabilitation of existing facilities along the 63rd Street Tunnel, including construction of the Plaza Interlocking and Facility Power Substation B10 for the East Side Access (ESA) Project. In accordance with Article IX of the All-Agency Procurement Guidelines, MTACC is requesting Board approval of a modification for the excavation of sump pit in the Q-Tip area of Plaza Interlocking in Queens. This is a scope and budget transfer from CQ031 to CQ032.

This work is currently in the scope of the adjacent CQ031 Contract. The excavation of the sump pit must be finished in order to progress the construction of the Plaza Interlocking permanent structure which is in Contract CQ032. In order to expedite turnover of the Q-Tip Area to the CQ032 Contractor so that it can commence its work in early January and also remove the work from CQ031 and avoid paying delay costs to that Contractor, the sump excavation is being moved to the CQ032 Contractor. This will also have the effect of mitigating delays to the CQ032 Contract and associated impact costs associated with the delay in turning over the area.

The Contractor submitted a cost proposal in the amount of $5,208,830. MTACC’s estimate is $4,883,990. Negotiations were held and the parties agreed to $5,100,000 for the work. The negotiated cost is considered to be fair and reasonable.

Funding for this modification will be transferred from the CQ031 budget and Construction Contingency. Excavation is a unit price item in CQ031. Because the rock elevations were much higher than anticipated there will be an overrun in quantity of excavation which leaves only $2,493,912 remaining in the CQ031 Contract for this work. This amount will be transferred from CQ031 to CQ032. The remainder will come from ESA Construction Contingency. There is no time impact associated with this modification and the addition of this scope of work will not impact the CQ032 schedule or substantial completion date.

Discussion:
The work under the subject contract generally consists of construction of four soft-ground bored tunnels and miscellaneous demolition of surface structures for the East Side Access project. In accordance with Articles IX and X of the All-Agency Procurement Guidelines, MTACC is requesting the Board ratify a retroactive modification to the Contract to construct the relocated temporary Tunnel A Reception Pit (TARP) and all associated work.

The work under this modification includes providing labor, material and equipment for items associated with the construction of the relocated TARP. This includes secant piles, soldier pile and lagging, soil excavation, construction of a jet grout block as well as a lump sum credit for elimination of soil backfill, approach slabs and work associated with the installation of the permanent roof structure above the original reception pit slated to be built under a future contract. It also includes additional excavation support at the initial TARP location.

The construction of the permanent concrete structure for the Tunnel A Reception Pit was originally planned for Contract CH053 and intended to be used for the removal of the Tunnel A Boring Machine ("TBM") upon completion of its work. Due to delays to Contract CH053, however, the permanent structure would not have been in place prior to the Tunnel A TBM reaching the reception pit. This could have resulted in schedule delays in extracting the Tunnel A TBM and commencing the subsequent Tunnel D TBM drive. The associated delay costs could have been in excess of $60,000 per day, and would have had additional impacts on contract interfaces with adjacent Contract CQ032. To avoid these delays and additional impact costs, MTACC determined it would be in the MTA’s best interest to have the CQ031 Contractor construct a temporary reception pit at a different location in order to remove the Tunnel A TBM.

Also included in this modification is additional support during excavation which the contractor was required to provide at the initial TARP location before it was decided to change the location. The additional support during excavation was required because existing utilities were not correctly shown on the contract drawings.

The Contractor submitted a total cost of $7,448,164 for this work, while MTACC’s combined estimate was $4,819,470.00. Negotiations were held and the parties agreed to cost of $4,947,505.00 for this work which is considered to be fair and reasonable. Funding is available through the Contract’s contingency.

To prevent delays to the TBM operations and to avoid impact costs associated with delays, the Contractor was directed to commence work.

To the extent that this modification is a result of errors and omissions in design, MTACC intends to seek compensation for any resulting damages from the designer.

**Purpose/Recommendation**

I. **PURPOSE/RECOMMENDATION**

B&T is seeking Board approval under the All Agency Procurement Guidelines to award a public work contract for Design/Build Services for the TBTA Central Maintenance Facility on Randall’s Island to Prismatic Development Corporation (POC) for a period of one year, ten months at a cost of $17,665,000.

II. **DISCUSSION**

In December 2011, the Board authorized B&T to enter into a competitive Request for Proposal (RFP) process for design/build services for the construction of a new Central Maintenance Facility on Randall’s Island. The work generally consists of: (i) designing and building a new maintenance facility, including offices, storage areas, bridge maintenance staff work areas, and a parking lot; and (ii) relocating machinery and equipment into the new building.

The service requirements were publicly advertised; nine firms submitted qualification information. Five firms were chosen to receive the RFP based on a review of those qualifications and three firms submitted proposals meeting the RFP’s requirements: D’Onofrio General Contractors (DGC), Corp.; PDC; and Racanelli Construction Company, Inc. (RCCI). The proposals were evaluated against established criteria set forth in the RFP, including cost, project design and understanding and construction approach, project constructability and schedule, qualifications of the firm and proposed personnel, record of performance for contractor and proposed designer, and quality and thoroughness of proposal. The selection committee requested oral presentations from all three firms.

(rev. 4/07/10)
Staff Summary

After oral presentations, the committee selected PDC on the basis that its proposal included: (i) the lowest cost, (ii) an aggressive schedule, (iii) a cohesive team that was well versed in the project details; and (iv) provided some proposed improvements to B&T's recommended layout. The committee found DGC and RCCI capable of performing the work, but their costs were significantly higher; their proposals less detailed and their teams did not demonstrate the same level of understanding compared with PDC.

PDC submitted a proposal of $17,548,500 based on its preliminary design. The Engineer's estimate was $14,385,000 without the benefit of such preliminary design information. The estimate was analyzed and found to have excluded or underestimated $3,263M in costs for: (i) enhanced overall building fire suppression system and water flow requirements; (ii) additional masonry for improved building protection; (iii) an increase to the allowance to cover anticipated conditions that cannot be evaluated prior to award; and (iv) additional parking lot details. Negotiations were conducted and the parties agreed to $17,665,000 which includes a $300,000 increase to the contract allowance to address field conditions that cannot be determined prior to contract award (e.g., potential upgrades to internal communication and security systems and fire suppression for the storage area). The negotiated amount of $17,665,000 is within 0.1% of the revised Engineer's estimate of $17,648,000 and is considered fair and reasonable. PDC is deemed to be a responsible contractor.

III. D/MWBE INFORMATION
The MTA DDCR has established goals of 10% MBE and 10% WBE for the referenced contract. This contract will not be awarded without approval of MTA DDCR. PDC has no recently completed contracts with B&T.

IV. IMPACT ON FUNDING
Funding is available under Project RK-65R in the 2010-14 Capital Budget.

V. ALTERNATIVES
There are no recommended alternatives. The Authority does not possess the resources required to perform these services.

**Narrative**

**I. PURPOSE/RECOMMENDATION**

B&T is seeking Board approval under the All Agency Guidelines for Procurement of Services to award a personal service contract for Design Services for Project HH-88, Reconstruction of Upper and Lower Level Toll Plazas and Southbound Approach at the Henry Hudson Bridge to WSP/URS, a Joint Venture (WSP/URS) for a period of seven years, three months at a cost of $7,193,724.53. At a future date, the cost for design services during construction will be presented to the Board for approval.

**II. DISCUSSION**

B&T requires the services of a consultant to provide Design Services for Project HH-88, Reconstruction of Upper and Lower Level Toll Plazas and Southbound Approach at the Henry Hudson Bridge. The work includes but is not limited to: replacement of concrete roadway decks, reconstruction of the lower garage, relocation of the E-ZPass toll collection equipment, relocation of lower maintenance garage utilities and installation of new gas and sewer lines. The design will provide flexibility to accommodate varied toll collection arrangements during and after reconstruction.

The service requirements were publicly advertised; six firms submitted qualification information. Four firms were chosen to receive the RFP based on a review of those qualifications and all four firms submitted proposals: Ammann & Whitney/HNTB JV (A&W/HNTB), Hardesty & Hanover (H&H), Parsons Transportation Group (PTG) and WSP/URS, a Joint Venture (WSP/URS). The proposals were evaluated against established criteria set forth in the RFP, including an understanding of the technical requirements, technical expertise, proposed personnel, oral presentations and cost.
The committee selected WSP/URS based on: (i) its highly qualified team with experience at the Henry Hudson Bridge as well as direct specialized experience in designing toll plazas for multiple agencies; (ii) its proposed project design management that would avoid subcontracting core components of the design including mechanical/electrical and toll plaza configuration; (iii) the JV’s complete and thorough understanding of all aspects of the scope including challenges to constructing toll plazas, maintenance issues under a 24/7 operation and conceptual solutions for construction cost reduction; and (iv) its proposed cost that is 8% below the estimate. A&W/HNTB’s proposal appeared to be an adjustment of the design prepared under Project HH-85 and failed to fully consider the differences between the two projects. H&H proposed an option to extend the upper level deck that appeared to be expensive to maintain. PTG was not able to address questions such as what type of deck they would propose during their oral presentation and did not expand on any ideas beyond what was in their technical proposal.

WSP/URS submitted a proposal in the amount of $7,250,151.09. The Engineer’s estimate is $7,847,000. Although WSP/URS proposed the highest cost, it was the consensus of the committee that the technical proposals from the other firms would not result in successful designs at the proposed prices. Negotiations were conducted and the parties agreed to the negotiated amount of $7,193,724.53 which is 8.3% below the Engineer’s estimate and is considered fair and reasonable. WSP/URS is deemed to be a responsible consultant.

III. D/M/WBE INFORMATION
The MTA DDCR has established goals of 10% MBE and 10% WBE for the referenced contract. This contract will not be awarded without approval of MTA DDCR. WSP/URS has achieved its previous MBE/WBE/DBE goals on previous contracts.

IV. IMPACT ON FUNDING
Funding is available under Project HH-88 in the 2010-14 Capital Budget.

V. ALTERNATIVES
There are no recommended alternatives. The Authority does not possess the resources required to perform these services.

Narrative

I. PURPOSE/RECOMMENDATION

B&T is seeking Board approval under the All Agency Guidelines for Procurement of Services to award a personal service contract for a Seismic and Wind Investigation at the RFK Bridge to the Joint Venture of Weidlinger Associates, Inc. and T.Y. Lin International Engineering Architecture and Land Surveying, P.C. (WAI/TYLI) for a period one year, eight months at a cost of $4,239,182.96.

II. DISCUSSION

B&T requires the services of a consultant to provide a Seismic and Wind Investigation for Project RK-19. The work includes but is not limited to: seismic investigation for all spans and components of the RFK Bridge including the Queens Approach, Queens and Wards Island Anchorages, Suspended Spans and Randall's and Wards Island Viaducts. The Wind Study is for the suspended spans of the RFK Bridge including the anchorages, foundations and towers.

The service requirements were publicly advertised; six firms submitted qualification information. Five firms were chosen to receive the RFP based on a review of those qualifications and all five firms submitted proposals: Ammann & Whitney/HNTB JV (A&WHNTB), Parsons Brinckerhoff/ Parsons Transportation Group JV (PB/PTG), Simpson, Gumpertz, Hager (SGH), STV (STV) and WAI/TYLI. The proposals were evaluated against established criteria set forth in the RFP, including an understanding of the technical requirements, technical expertise, proposed personnel, oral presentations and cost. The selection committee requested oral presentations from A&WHNTB, PB/PTG and WAI/TYLI.

(rev. 4/07/10)
Staff Summary

The committee selected WAI/TYLI based on: (i) a highly qualified team of specialists, all of whom have the requisite background on many similar projects performing the type of detailed analysis needed for seismic and wind analysis; (ii) its demonstrated superior track record throughout the United States for performing similar investigations and analyses on projects of this magnitude; (iii) WAI/TYLI has a complete and thorough understanding of all aspects of the scope of work, and addressed all pertinent issues during oral presentations; and (iv) WAI/TYLI's proposed cost is $151,000 less than B&T's estimate. A&W/HNTB's proposal lacked technical detail and during oral presentations did not demonstrate they had a complete understanding of the complexities of the scope of work. A&W/HNTB's cost proposal was substantially lower than the estimate, which was considered to be an incomplete understanding of the project's complexities. PB/PTG's cost proposal was significantly higher than the Authority's estimate and their proposed technical personnel did not demonstrate experience on seismic analysis projects that are similar in size.

WAI/TYLI submitted a proposal of $4,298,108.56. The Engineer's estimate is $4,449,000. Negotiations were conducted and the parties agreed to the negotiated amount of $4,239,182.96, which is 4.7% below the Engineer's estimate and is considered fair and reasonable. WAI/TYLI is deemed to be a responsible consultant.

III. D/M/WBE INFORMATION
The MTA DDCR has established goals of 10% MBE and 10% WBE for the referenced contract. This contract will not be awarded without approval of MTA DDCR. Weidlinger Associates has achieved its M/WBE goals on previous MTA contracts.

IV. IMPACT ON FUNDING
Funding is available under Project RK-19 in the 2010-14 Capital Budget.

V. ALTERNATIVES
There are no recommended alternatives. The Authority does not possess the resources required to perform these services.
