Approval of Minutes- September 26, 2016

Upon a motion duly made and seconded, the Committee approved the minutes of the meeting held on September 26, 2016.

Diversity Committee Work Plan

Chairman Molloy asked if there were any changes to the Work Plan. Mr. Din said there were no changes to the 2016 Work Plan and explained that the 2017 Diversity Committee Work Plan included in this month’s agenda coincides with the Corporate Governance Committee meeting. Chairman Molloy agreed to this change.

Executive Summary

Mr. Garner noted that the format for this meeting is different. He said the Committee book now includes an executive summary of DDCR activities. He said this will make the presentation smoother and more focused. Chairman Molloy asked if the backup material is included in the Committee book. Mr. Garner said yes, detailed information is provided in the Committee book.

Business and Diversity Initiatives

Mr. Din provided an update on various events that DDCR has organized, and attended in order to reach out to MWBEs and other small businesses.

Certification Activity Report

Mr. Din reported on the DBE certification activity for the third quarter of 2016. He said for the reporting period, 25 applications for DBE certifications were received and 29 applications were processed.
MTA-Wide New Hires

Mr. Din reported that from January through September of 2016, MTA’s overall workforce comprised of 71,158 employees, of which 18% are female, and 67% are minorities. He said veterans make up 3% of the workforce. Mr. Din also reported on new hires: 4,376 employees were hired, of which 24% are female, 57% are minorities and 3% are veterans. Mr. Zuckerman asked how DDCR calculated the percentage of veterans. Ms. Brown said calculation is based on the number of veterans in the agency’s workforce divided by the total number of veterans employed MTA-wide.

EEO and TITLE VI Complaints

Mr. Din reported that MTA and its agencies handled 476 EEO complaints between January and September of 2016, of which 292 were internal and 184 were external complaints. He said MTA and its agencies also handled 239 Title VI complaints. He added that complaint disposition information is included in the Committee book.

M/W/DBE Contract Compliance Third Quarter 2016 Report

Mr. Din reported on federal and state funded contract award and payment activities. He said MTA met its 17% DBE goal during 2016 Federal Fiscal Year. He reported that a total of $1.4 billion was awarded in federally funded portion of contracts. Additionally, he said a total of $1.8 billion was paid in prime contractors in federally funded contracts, with 15% DBE participation.

Mr. Din said MTA has an overall 30% MWBE goal. He reported that from January to September of 2016, approximately $816 million was awarded in state funded contracts, with MWBE participation of $134 million (16%). Mr. Din said in addition approximately $792 million was paid to prime contractors with the MWBE participation of $175 million (22%).

Regarding discretionary procurements, Mr. Din said out of a total of $39 million with a value of $200,000 or less, $2.6 million (7%) was awarded to MWBEs, and $297,000 (1%) was awarded to other Small Business Concerns. Mr. Din also reported that out of a total of $14.4 million paid in outside legal counsel fees, MWBE law firms received $1.2 million (9%).

Mr. Din said DDCR has made tremendous progress in increasing the number of site visits. He reported that 640 site visits were conducted between September 2015 and September 2016. He said on an average, managers conduct at least eight site visits per month. Mr. Din also reported that as of September 2016, DDCR closed over 1,000 contracts, with an additional 57 contracts in the process of being closed and 39 contracts pending agency action.

M/W/DBE Capital Projects

Mr. Din reported on MWDBE Capital Projects. He said from January 2016 through September 2016, $967 million was awarded in federally funded capital projects with $158 million (16%) DBE participation. He said for state funded capital projects, $288 million was awarded with $40 million (14%) MBE participation, and $36 million (12%) WBE participation, for 26% total MWBE participation.
**SBDP Update**

Mr. Garner provided an update on MTA SBDP. He said 143 firms are currently prequalified in Tier 1 of the Small Business Mentoring Program (“SBMP”), and 47 firms are prequalified in Tier 2. In addition, he said 39 firms were prequalified for the Small Business Federal Program (“SBFP”). Mr. Garner added that MTA achieved 45% DBE participation in SBFP.

Mr. Garner added that since the inception of the program, MTA awarded a total of $212.2 million. He said there over 5,000 jobs have been created within the Small Business and MWDBE community. Mr. Garner said a diverse class of 27 firms are enrolled in the Emerging Contractors Program. Mr. Garner explained the Emerging Contractors Program was created to assist firms who do not meet the prequalification requirement of the SBFP. The firms in this program are given a year to fully develop, and upon successful completion, graduate into Tier 1 of SBMP. Mr. Garner said MTA’s SBDP is viewed as a national model. He said for Scope B of the Program, the business development services contract is in place. He said the goal of Scope B is for graduating firms to win contracts and create jobs.

Mr. Garner thanked DDCR staff, and MTA agency Presidents and staff for making SBDP a success. He also thanked Barry Krueger, MTA Inspector General for help in providing funding to start up SBDP.

**Financial Services**

Mr. Garner reported that for the first half of the state fiscal year 2016-2017, $12.5 million was awarded in underwriter fees, with 27% MWBE participation. He thanked Robert Foran, Chief Financial Officer, Patrick McCoy, Director of Finance, and Patrick Isom, Manager, Financial Analysis for their efforts in awarding underwriter fees in an inclusive manner.

**Asset Fund Managers**

Mr. Crawford reported that the value of total assets managed by MWBEs is $836.4 million (13%) across the sponsored pension plans. He said a majority of the assets are in traditional asset classes, and 20% of these assets are managed by MWBEs. Mr. Crawford said MTA achieved its first MWBE participation in non-traditional assets in the third quarter. He said this represents 20% of real estate allocation, and 2% of total assets.

Mr. Crawford noted that MTA is aggressively reaching out to women- and minority-owned firms to increase their participation, especially within non-traditional assets.

Ms. Metzger stated that she likes the new presentation format because it allows the Committee to focus on data that it is most concerning with. She said after a year there can be a dashboard of key data to be tracked on a graph in order to gauge progress.

Ms. Metzger added that she is happy to see the SBDP has been successful. She thanked the staff for their hard work. Chairman Molloy also approved of the new format. He said it will help the Committee monitor progress. Mr. Garner also thanked the staff.
**Charter Review**

Mr. Din said no changes are recommended to the Diversity Committee Charter.

**Adjournment**

Upon a motion duly made and seconded, the meeting was adjourned.

Respectfully submitted,

Faith Beauzile, Administrative Assistant

Bridges and Tunnels

President Donald Spero
Strategies to Improve
Workforce, Business and Service

February 21, 2017
I. Message From MTA Bridges and Tunnels’ President

- MTA Bridges and Tunnels (MTA B&T), a leading transportation employer and public service provider, is firmly committed to maintaining a diverse and inclusive workforce. It is the policy of MTA B&T to provide fair and equal employment opportunities to all applicants and qualified individuals within its workforce, in both securing employment and in promotion opportunities at all levels and occupational categories. MTA B&T is currently transitioning into a new business model for toll collection. The impact of the new initiatives related to Open Road Tolling (ORT) and the New York Crossings Project (NYCP) will require new innovative ways of thinking, along with business process changes and supporting tools, systems and technologies that will enable the organization to meet the challenges of operating under a new business environment and manage the new assets being acquired by MTA B&T. To help ensure that ORT/NYCP project targets are being met, MTA B&T has create a Human Resources committee to manage the transformative organizational and cultural impacts on MTA B&T’s workforce and the ongoing need to incorporate diversity goals into the new business requirements.

- MTA B&T strongly believes in providing Minority and Women-Owned Business Enterprises (MWBEs), Small Businesses Enterprise (SBEs), and Service-Disabled Veteran-Owned Businesses (SDVOBs) with greater opportunities to compete for contracts, both as prime contractors and sub-contractors. One way our agency continues to advance this mission is through the MTA Small Business Mentoring Program under the MTA HQ Department of Diversity and Civil Rights, and the MTA B&T’s Office of EEO, Law and Procurement, and Engineering and Construction Departments vendor/supplier diversity outreach efforts and inclusion initiatives. By fostering new and mutually beneficial partnerships with small businesses, MTA B&T is reinforcing its commitment to eliminating barriers, diversifying its sourcing and vendor-base, and promoting a robust and competitive business environment in the Era of New York Crossings.
MTA Bridges and Tunnels 2016 Key Accomplishments

MTA B&T launched its 2015-2016 Engineering & Construction Employment Fair, to recruit and hire female engineers for ongoing construction projects. MTA B&T successfully attracted 265 attendees, which included 25% females, and 68% minorities (44% Asian, 10% Hispanic, 9% African-American, and 13% identified two or more ethnicities). In addition, MTA B&T engaged in targeted recruitment that included: the National Association of Women in Constructions, National Society of Black Engineers, Society of Hispanic Professional Engineers, American Society of Civil Engineers, American Institute of Architects, Women in Transportation, LinkedIn, MilitaryHire.com, HireVeterans.com, Construction Management Association of America, and Institute of Transportation Engineers. In 2016, Engineering and Construction successfully on-boarded “28” engineers, “18” males and “10” females, with expertise in various disciplines.

MTA B&T recognizes that Minority and Women-Owned Business Enterprises (MWBEs), and Small Businesses Enterprises (SBEs) continue to play a vital role in keeping our facilities structurally sound and safe, as such MTA B&T is strongly committed to investing in and supporting MWBEs and SBEs that compete for contracts. MWBEs and SBEs had an opportunity to expand their portfolio and increase their knowledge of the design-build procurement process at MTA B&T’s “As Needed Inspection and Design, Expert Engineering and Engineering Support Services” networking event held on January 28, 2016. The networking event provided an opportunity for MWBEs and SBEs to meet with a pool of pre-qualified prime consultants about contract PSC-12-2891. This contract networking event attracted over 80 attendees, and provided contract opportunities for various engineering and construction trades.

MTA B&T continues to partner with gothamCulture LLC. (GC), Service-Disabled Veteran-Owned Businesses (SDVOBs), to transform the culture and leadership of the organization and to improve performance. Through GC, the workforce and leaders of MTA B&T continue to identifying the underlying causes of organizational obstacles, transforming mission critical practices and procedures, implementing diverse talent initiatives, and executing breakthrough strategies to elevate safety, security, and performance.
2017 Initiatives

III. MTA Bridges and Tunnels 2017 Key Workforce, Business and Service Initiatives

- MTA B&T’s Enterprise Asset Management Program (EAM) is part of an MTA-Wide Initiative. One of the goals of MTA B&T’s EAM program is to establish a Reliability Centered Maintenance (RCM) community of practice with a focus on embedding the principles of asset management and reliability within the culture and mind-set of the organization. The implementation of EAM requires participation from all disciplines. However, most of the technical expertise required for Asset Management lies in the areas of engineering, finance, maintenance and operations. In order to provide opportunities and encourage women in these departments to participate in the implementation of the EAM program, MTA B&T will establish a formal outreach effort to recruit interested staff to work with B&T’s EAM Program Management Team, which would enable them to join the Women in Reliability and Asset Management (WIRAM) community of practice and increase participation of females from the engineering, security, finance, operations and maintenance disciplines.

- MTA B&T will conduct a workforce climate survey, which includes self-identification by gender, ethnicity, veteran-status, and persons with disabilities, to create strategies and recommendations that address hiring, retention, promotion, succession planning, and quality of life concerns.

- MTA B&T will launch a Design, Inspection, and Engineering Outreach Event in 2017, to increase business opportunities for Minority and Women-Owned Business Enterprises and Service-Disabled Veteran-Owned Businesses (SDVOBs) in support of MTA B&T’s 2.9 Billion Capital Program.

Strategies to Improve Workforce, Business and Service

February 21, 2017
I. Message from MTACC President Dr. Michael Horodniceanu

- A Big Commitment from A Small Company
  - We have fewer than 140 employees; 15% are at a senior management level. We work exclusively in the engineering & construction management industry, where according to the NACME, nationally, women hold 13.4% of engineering positions, African Americans 5% and Latinos 6.2%. So, we have to work harder than most to ensure that we recruit and retain women, minorities and veterans—and I am committed to doing that.

  - My senior management team is also committed to ensuring that we hire and promote these protected groups and award contracts to certified M/W/DBE companies.

  - In 2016 we made great strides in hiring and promoting women and minorities and grew our outreach efforts for recruiting veterans and attracting M/W/DBE companies and vendors.

  - I am proud of our accomplishments, but we must do more.
II. MTACC 2016 Key Employment Accomplishments

- **Promoting Women:** More than one third of the promotions were given to women. 66.6% of the promoted women are now in decision-making roles.

- **Hiring and Promoting Minorities:** More than 40% of our new hires are minorities. More than 44.4% of our promotions were to minorities.

- **Supporting Veterans:** Our company’s most senior program executive is a veteran. Nearly 30% of the personnel recruiting events we attended last year specifically targeted minorities and over 40% targeted veterans.

- **Creating MWBE Business Opportunities:** Of the $1.2 Million awarded in locally funded contracts and purchase orders, over $800,000 was for one contract. 30% of that contract was subcontracted to certified MWBE companies. Of the remaining $400,000, 45% went directly to certified MWBE companies. MTACC awarded a Small Federal Business Program Contract to a certified DBE for $1.6 million.
III. MTACC 2017 Key Workforce Initiatives

- MTACC will reach out to and partner with other MTA Agencies to share costs, resources and best practices for strengthening recruitment strategies that target female, minorities and veterans by March 2017

- MTACC is developing a program where our managerial staff will mentor students from underserved populations, with an emphasis on including females and minorities by the end of June 2017. The intent is to create a pipeline for filling entry-level professional positions

- We will conduct a feasibility study on implementing a project management program consisting of rotational assignments that develops management skills in veterans with nontraditional education and experience by the end of September 2017

- Will increase by 30% our participation in events that engage female, minority, and veteran-owned businesses by year end 2017

Joseph J. Giulietti
Strategies to Improve Workforce, Business and Service
February 21, 2017
I. Message From Metro-North Railroad’s President

- I am committed to increasing diversity in the workforce and maintaining a culture that embraces our differences. Diversity enriches our workplace and fosters innovation, creativity and cultural understanding. Metro-North is committed to achieving excellence while ensuring that we maintain an environment that acknowledges and celebrates the diversity of its employees and customers.

- Our agency and its leadership support these values through implementation of Metro-North’s strategic plan that identifies “Our People” as our greatest resource. We are a diverse, dedicated and proud workforce and our leadership team and departments support this core priority by aligning their departmental goals in support of Our People. All managers are evaluated annually on their efforts and commitment to supporting diversity initiatives and achieving their goals.

- Metro-North Railroad also realizes that diversity of people drives diversity of thought and improves business outcomes. Therefore, recognizing the expertise and capabilities of Minority and Women Owned Business Enterprises is part of our commitment to ensuring that we are performing business in a manner that is inclusive and seeks to recognize the potential of companies small and large.
II. Metro-North's 2016 Key Accomplishments or Best Practices

- The Associate Engineer Program is Metro-North Railroad’s esteemed program to hire recent Engineering graduates from public and private, local and out of state colleges/universities. The 2016 program hired a total of 18 students – including 8 minorities and 5 females (up from 3 females in 2015). The Engineering Graduates are viewed as potential future leaders of our Agency.

- Our 2016 goal to increase our representation of women and minorities in our leadership ranks was successful. The representation of women on the leadership team increased by 3 new members of which two are African American and one is Hispanic.

- MNR was the first operating agency to hire dedicated staff to support and improve business outreach and outcomes with certified M/WBE firms. Our awards to certified MWDBE’s continue to steadily increase each year as a result of these staff increases. Discretionary awards for 2016 have already exceeded 2015 by $2 million.
2016 Key Accomplishments

- In 2016 Human Resources created Outreach Field Day to reach out to our female workforce and provide advice on career advancement in the railroad. We assisted them with developing their resumes, coaching on interviewing skills and informing them about other job opportunities on the railroad. This initiative proved to be very popular and will continue in 2017. The Women’s Book Club kicked off in May 2016 and met 3 times during the year. The Club primarily focuses on books that cover the career history and topics involving women in the workplace. The Club will continue into 2017.

- In 2016 Metro-North made a conscious effort to expand our media and community outreach to the LGBT community by advertising job opportunities in targeted LGBT publications and job sites. We have also instituted a mandatory training on the topic of transgender/gender awareness to all employees to promote an inclusive and positive work environment. In 2016 we trained over 800 employees.

- In 2016 Metro-North hired 48 veterans - up from 31 in 2015. We partnered with MTA HQ’s Director of All-Agency Veteran Recruitment to participate in job fairs, training sessions and other outreach opportunities. Metro-North also held a Lunch and Learn event Honoring Our Veterans Contributions to the Railroad. We also distributed Pins to all our veterans to honor their service and their contribution to our workforce.

- In 2016 we partnered with DDCR to host a business and employment outreach event for the Orange County Chamber of Commerce with Board Member Susan Metzger. The event was attended by approximately 51 business owners from the surrounding county eager to learn how to do business with MNR. MNR was well represented by members of our HR Dept., EEO and Procurement & Material Management as well as MTA Transit Police. All assembled to share information on accessing opportunities with MTA and in particular MNR.
III. Metro-North’s 2017 Key Workforce, Business and Service Initiatives

- Our online Newsletter, MTA Today will regularly feature a female employee bringing awareness of the different roles women serve in the railroad. Our intent is that recognition brings retention.

- In order to increase minority, and particularly Hispanic representation in our workforce, Metro-North is targeting job boards in communities with dense populations of African American, Hispanic and Asian residents. On April 20th 2017, Metro-North will also be sponsoring and attending a Bilingual job fair in NYC hosted by National Society for Hispanic Professionals (NSHP), LatPro and Diversityjobs. This is one of the largest Bilingual job fairs in the country.

- To increase veteran participation, Metro-North has committed to partnering with MTA HQ in attending job fairs and outreach events to bring awareness of our many employment opportunities. By November 2017, we will have additional Lunch and Learn events targeted at our veteran employees and hold our annual Veterans Day ceremony in the Grand Central Terminal. Our goal is to make MNR an employer of choice among the armed services community.

- By December 2017 Metro-North plans to send out communications to all employees to voluntarily update their personal information including veteran status and disability.

- In June 2017 Metro-North will host an outreach event tailored to Service Disabled Veteran Owned Businesses (SDVOBs) at our headquarters. Our goal is to have SDVOBs participate in Discretionary procurement opportunities (procurements less than $400,000). We would also like to identify Set-Aside opportunities designed specifically for SDVOB participation.

- LIRR will attend veterans’ job fairs on March 1 and April 13, 2017, and partner with the Director, MTA All-Agency Veterans Recruitment and Staffing Initiatives, to distribute job postings to 1,700 service members and 200 military liaisons, throughout the year.

- LIRR will continue to work with MTAHQ on a process to identify disabled applicants and employees, including self-identification disability forms. Effective immediately, self-identification of employees and applicants with disabilities will be encouraged during LIRR training classes, including new employee and EEO modules.

- LIRR will continue providing opportunities to minority, women, and service disabled veteran owned businesses through the use of discretionary procurements.

February 21, 2017
MTA Sponsored Plans – MWBE Participation
As of December 31, 2016

Traditional Equities - Changes to allocations and manager exposure in asset class led to an increase in 2016 in MWBE managed assets. One new MWBE manager added and one firm gained MWBE status in 2016.

Fixed Traditional Income - MWBE exposure has fallen in recent years as one investment manager closed its firm, one lost MWBE status, and both were replaced by index investments.

Hedge Funds - Actively searching the universe for both established and emerging hedge funds managed by minorities and women. Meetings with 43 MWBE hedge funds have taken place in 2016, with a focus on global macro and long/short equity strategies.

Private Equity - Actively searching the private equity universe. Unable to reach terms with one approved MWBE private equity firm. New investment made in fund managed entirely by MWBE staff (firm is not MWBE). Expectations for more funds in market in 2017 and 2018.

Real Estate - Currently staging into MWBE managed real estate investment, representing 1% of plan assets and 20% of real estate allocation. Investment should be funded by middle of 4Q16

EQUAL EMPLOYMENT OPPORTUNITY

The Metropolitan Transportation Authority ("MTA") is fully committed to equal employment opportunity for all employees and applicants for employment without regard to race, color, religion, creed, national origin, ancestry, sex, sexual orientation, age, disability, predisposing genetic characteristic, gender identity, gender expression, domestic violence victim status, pregnancy, military or marital/familial status or arrest/conviction records. This Policy applies to all employment actions, including but not limited to hiring, promotion, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or other discharge, recall, rates of pay or other forms of compensation, treatment of employees, benefits and selection for training. Further, the MTA expressly prohibits any form of harassment based on race, color, religion, creed, national origin, ancestry, sex, sexual orientation, age, disability, predisposing genetic characteristic, gender identity, gender expression, domestic violence victim status, pregnancy, military or marital/familial status or arrest/conviction records. Such interference with the ability of the MTA’s employees to perform their expected job duties is not tolerated.

The MTA is fully committed to complying with all applicable laws for establishing and implementing a program providing equal employment opportunities for all employees and applicants for employment. The MTA has developed an equal employment opportunity program, setting goals with timetables to provide minorities and women equal opportunities in its workforce. This program is available for inspection by employees or applicants for employment upon request. All managers and supervisors are responsible for implementing this program. This responsibility is measured in the same manner as their performance toward other business objectives. The successful achievement of this program will provide benefits to MTA through fuller utilization and development of minorities and women employees.

All employees and applicants for employment shall be protected from retaliation or harassment for filing a complaint or participating in an investigation of a complaint. Reprisal against or interference with an employee’s or applicant’s right to file a complaint concerning such matters constitutes a violation of this Policy. The MTA is committed to providing reasonable accommodations to applicants and employees who need them because of a disability or pregnancy-related condition, or to practice or observe their religion, absent undue hardship.

Michael J. Garner, Chief Diversity Officer, is responsible for coordinating the MTA’s equal employment opportunity program. If you believe you have been subjected to a violation of this Policy in your employment or application for employment, you may contact your immediate supervisor, a higher level supervisor or Mr. Garner at 2 Broadway, 16th Floor, New York, NY 10004. Mr. Garner can be reached by telephone at (646) 252-1385.
MTAHQ POLICY

EQUAL EMPLOYMENT OPPORTUNITY (Continued)

A supervisor who receives a complaint under this Policy should immediately contact Mr. Gamer. If you wish to file a complaint, you should contact Mr. Gamer at the above address or phone number. In addition, an employee or an applicant for employment may contact the Department of Diversity and Civil Rights at (646) 252-1373 in order to file a complaint. The Department of Diversity and Civil Rights will promptly initiate a thorough and impartial inquiry.

If, for any reason, you do not wish to bring your complaint to a supervisor, to Mr. Gamer, or to the Department of Diversity and Civil Rights, then you should report the matter to the MTA Chief of Staff, who will promptly initiate a thorough and impartial inquiry. The Chief of Staff, with my approval, may delegate the inquiry to another person. In all cases, confidentiality will be maintained throughout the investigation to the extent practical and consistent with the MTA’s obligation to undertake a full inquiry and to make a determination. In addition, all employees are required to fully cooperate during the conduct of such an investigation.

If it is determined that a violation of this Policy has occurred, the MTA will take immediate action to remedy the situation. Any employee who is found to have violated this Policy or any supervisory or managerial employee who knowingly permits a violation of this Policy to occur may be subject to disciplinary action, up to and including dismissal from employment. Such an employee may also be subject to personal legal and financial liability.

In addition to the complaint procedures described above, complaints may be filed with the New York State Division of Human Rights or the United States Equal Employment Opportunity Commission.

This Policy is to be posted in prominent locations throughout the MTA’s facilities.

MTAHQ POLICY

SEXUAL AND OTHER DISCRIMINATORY HARASSMENT

Sexual or other discriminatory harassment in the workplace is illegal and all employees, vendors, visitors and applicants for employment are prohibited from engaging in any such activity. It is the Policy of the Metropolitan Transportation Authority ("MTA") that all employees have the right to work in an environment free from any form of discriminatory harassment or intimidation, either physical or verbal, by any other employee, vendor, visitor or applicant for employment. The MTA will not tolerate sexual or any other form of discriminatory harassment and violators of this Policy will be subject to disciplinary action, including but not limited to termination of employment.

Sexual harassment consists of unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

1. submission to such conduct is made explicitly or implicitly a term or condition of an individual’s employment, or
2. submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or
3. such conduct has the purpose or effect of unreasonably interfering with an individual’s work performance or creating an intimidating, hostile, or offensive working environment.

Sexual harassment can occur in a variety of circumstances, including but not limited to the following:

1. The victim and the harasser may be a woman or a man.
2. The harasser can be the victim’s supervisor, an agent of the employer, a supervisor in another area, a co-worker or a non-employee.
3. Sexual harassment may occur without economic injury to or discharge of the victim.
4. The harasser’s conduct must be unwelcome.

Examples of sexual harassment include, but are not limited to:

- a demand for sexual favors that is accompanied by a promise of favorable job treatment or a threat concerning the employee’s or applicant’s employment;
- pressure for sexual favors, including implying or threatening that an applicant’s or employee’s cooperation of a sexual nature (or refusal thereof) will have any effect on the person’s employment, job assignment, wages, promotion, or on any other conditions of employment or future job opportunities; or
unwelcome conduct of an offensive nature, such as continual sexual propositions, slurs or innuendoes directed at the employee or applicant, uninvited physical contact, or repeated vulgar or demeaning comments, whether written, oral or sent by e-mail, directed toward the employee or applicant and others of his/her gender.

Harassment does not have to be of a sexual nature, however, and can include other forms of harassment. Other forms of discriminatory harassment consist of unwelcome conduct that is based on race, color, religion, creed, national origin, ancestry, sex, pregnancy, sexual orientation, age, disability, predisposing genetic characteristic, gender identity, gender expression, domestic violence victim status, military or marital status, arrest/conviction records or any other legally protected basis, including based on the employee’s having filed a complaint of discrimination under this Policy or the MTA Americans with Disabilities Act or Equal Employment Opportunity Policies, that has the purpose or effect of unreasonably interfering with an individual’s work performance, or creating an intimidating, hostile or offensive working environment.

All employees, visitors, vendors and applicants for employment shall be protected from retaliation for filing a complaint or participating in an investigation of a complaint. Reprisal against or interference with an employee’s, visitor’s, vendor’s or applicant’s right to file a complaint concerning such matters constitutes a violation of this Policy.

Michael J. Garner, Chief Diversity Officer, is responsible for coordinating this Policy. If you believe you have been subjected to a violation of this Policy in your employment or application for employment, you may contact your immediate supervisor, a higher level supervisor or Mr. Garner at 2 Broadway, 16th Floor, New York, NY 10004.
