HOW TO QUALIFY (Continued)

Vocational high school, technical school or trade school education must be approved by a State’s Department of Education or a recognized accrediting organization. College education must be from an accredited college or university, accredited by regional, national, professional or specialized agencies recognized as accrediting bodies by the U.S. Secretary of Education, and by the Council for Higher Education Accreditation (CHEA).

Qualifying part-time experience will be credited on a pro-rated basis.

Foreign Education Fact Sheet (required only if you need credit for your foreign education for this examination): If you were educated outside the United States, you must have your foreign education evaluated to determine its equivalence to education obtained in the United States. The services that are approved to make this evaluation, as well as instructions on how to submit this evaluation are listed in the Foreign Education Fact Sheet included with your application packet. When you contact the evaluation service, ask for a “document-by-document” (general) evaluation of your foreign education. Your foreign education evaluation must be submitted directly to NYC Transit’s Examinations Unit by the service completing the evaluation. Foreign education evaluations received directly from applicants will not be accepted. You can also access the Foreign Education Fact Sheet on our website at http://web.mta.info/nyct/hr/forms_instructions.htm.

Note: If you have earned a higher-level degree in the United States that supersedes the level of education required to meet the qualification requirements, you do not need to submit a foreign education evaluation. However, you must indicate that you have completed the higher-level degree in the United States; proof of acceptance into an academic program or school is not sufficient to determine satisfactory equivalency.

You are responsible for determining whether you meet the qualification requirements for this examination prior to submitting the Application. You may be given the tests before we determine if you meet the qualification requirements. If you are marked “Not Qualified,” your Application fee will not be refunded and you will not receive a score.
