The New York City Transit Authority (the "Authority" or "NYCTA"), a public benefit corporation organized under the Public Authorities Law of the State of New York, which for purposes hereof shall be deemed to include the Manhattan and Bronx Surface Transit Operating Authority and the Staten Island Rapid Transit Operating Authority, will be issuing a request for proposals ("RFP") to solicit proposals for Contract B40666 - Furnish and Deliver 275 Low-Floor 40-Foot Diesel-Electric Hybrid Buses.

The Authority seeks proposals based upon the Work, Terms and Conditions and Technical Specifications for each contract as set forth in the RFP. The Authority will also encourage alternative proposals that offer benefits and advantages through enhancements, reductions and/or changes to the Terms and Conditions and Technical Specifications of the respective contract package.

The above-mentioned contracts will be awarded separately in accordance with the procurement regulations and guidelines governing each. Specific instructions for the proposal package submittals and other RFP requirements are included in the solicitation documents.

The Authority requires each Proposer to successfully complete the required structural qualification and all other qualification activities in accordance with the New Bus Testing Program. Proposals will only be considered from those manufacturers offering a bus already tested and approved by the Authority or from manufacturers who can demonstrate that they have the ability to qualify their proposed bus in time to support the Authority's delivery schedule requirements.

Listed in descending order of importance, the following factors will be considered in evaluating proposals for Contract B40666:

- Overall Project Cost including, in addition to pricing, such matters as payment terms, net cost savings and or additions regarding proposed changes to the Contract Terms and Conditions and the Technical Specifications.
- Overall Quality of Proposer and Product
- New York State Content
- Other Relevant Matters

These Selection Criteria are further described in the solicitation documents.

Notwithstanding its relative ranking based on the Evaluation Criteria, the Proposer must demonstrate to the satisfaction of the Authority that it is in all respects a responsible party, i.e., that it has the integrity, skill and experience to faithfully perform each Contract, and the necessary facilities and financial resources to do the Work in accordance with the Contract Documents.

The anticipated closing date for the receipt of Proposals is June 5, 2019. All inquiries should be addressed as follows:
